Project presentations—what you should know

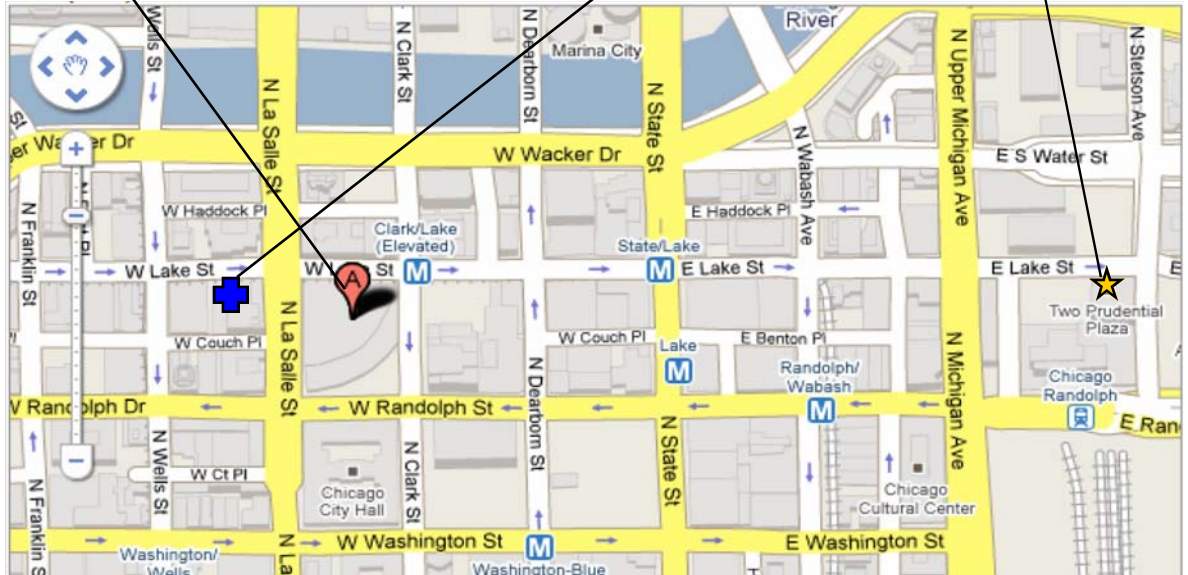

- If your project is on the Agenda, we invite you or members of your finance team to attend the board meeting. It is not a requirement.
- We would like to introduce you and your team if you attend. Please inform your Funding Manager if you will be joining us.
- You are welcome to make a brief presentation about your project (3 minutes). If you have a schematic or artist rendering to show, we always enjoy seeing the projects we are financing.
- The board meeting is typically short and sweet. All projects have been thoroughly reviewed by board members and in committee prior to the meeting.
- FYI: editorial staff from The Bond Buyer, Reuters and occasionally other publications cover IFA board meetings. To augment their articles, they may ask for an interview about your project. It is entirely your prerogative to participate.
- Your IFA Funding Manager will contact you after the meeting to discuss next steps.
