VOTING RECORD

A Final Bond Resolution approving the issuance of the Series 2014A Bonds was approved by the Board on December 10, 2013. This report updates the report to incorporate details regarding the Series 2014B Bonds.

PURPOSE

Bond proceeds will be used to finance or reimburse for a series of expansion projects at MMC's patient care and teaching facilities, including:

- Patient Tower ('E' building vertical expansion) The 'E' building vertical expansion will consist of three levels (38 beds per level) totaling 115,000 gross square feet and 114 private beds. This expansion will take MMC to all medical/surgical private rooms without changing the total number of available beds. In addition, the main entrance and lobby will be renovated. The estimated cost is \$63.8 million.
- Main Operating Room (OR) The OR expansion includes a two-story 34,400 gross square feet structure attached to the 'E' building consisting of 6 new operating rooms (5 incremental operating rooms). The estimated cost is \$31.4 million.
- Memorial Center for Learning and Innovation ("MCLI") To advance the future of medicine and develop
 workforce, MMC will build a new four-story 50,000 gross square feet MCLI building at an estimated cost
 of \$36.1 million which will be used by MMC and SIUSM. The MCLI will allow MMC to enhance
 education and training capabilities for staff and physicians and strengthen the relationship with SIU. A
 portion of this facility may not qualify for tax exempt financing and will be funded by MMC.
- Renovating and equipping MMC's existing energy plant and related infrastructure at an estimated cost of \$24.1 million. A total of 4,500 gross square feet will be added to accommodate additional infrastructure needed for this campus expansion.

IFA PROGRAM AND CONTRIBUTION

501(c)(3) Bonds are a form of municipal bonds that 501(c)(3) corporations can use to finance and refinance capital projects that will be used to further their charitable mission. IFA's issuance will convey federal income tax-exempt status on interest earned on the Bonds paid to bondholders and thereby reducing the borrower's interest expense.

VOLUME CAP

501(c)(3) bond issues do not require Volume Cap.

Borrowers; (iii) pay a portion of the interest on the Bonds, if deemed necessary or advisable by the Authority or the Borrowers; (iv) provide working capital to the Borrowers, if deemed necessary or advisable by the Authority or the Borrowers; and (v) pay certain expenses incurred in connection with the issuance of the Bonds.

BUSINESS SUMMARY

As part of a corporate reorganization plan in 1993, Memorial Health System was incorporated as an Illinois not-for-profit corporation and the sole corporate member of the Medical Center. The System's vision is to be a national leader for excellence in patient care. The System's mission, to improve the health of the people and communities that we serve, is evident in the System's effort to provide healthcare services across the full continuum of care to the citizens of central Illinois. This is achieved by providing a great patient experience and emphasizing primary care services as well as continuity and coordination of services between the providers within the System.

In addition to MMC, the System is currently affiliated with: Memorial Physician Services ("MPS"), Memorial Home Services ("MHSvc"), ALMH, Abraham Lincoln Healthcare Foundation ("ALMF"), Mental Health Centers of Central Illinois ("MHCCI"), Memorial Health Ventures ("MHV") and TMH (collectively, the "Affiliated Corporations").

The System, MMC, MHSvc, ALMH, TMH, MPS, MHV, MHCCI and ALHF are all Illinois not-for-profit corporations and have all been recognized as organizations described in Section 501(c)(3) of the Internal Revenue Code and are exempt from federal income taxation. An organizational chart is included below.

SERVICE AREA

The System has a wide service area, drawing patients from 40 counties in the central portion of Illinois. The primary service area, which includes Sangamon County and eight adjacent counties, accounts for 87.0% of the System's inpatient discharges. Sangamon County, the immediate service area for MMC, accounts for 49.0% of the System's inpatient discharges. The System's secondary service area includes 31 counties spanning the middle of the State and accounts for 10.7% of the System's inpatient discharges. The remaining 2.3% of inpatient discharges are drawn from other locations in Illinois and from surrounding states. The System's overall service area has remained constant over the past five years.
