Bond proceeds will be used to (i) replace existing core information system with the EPIC suite of products for both inpatient and outpatient services; (ii) construct a 72,000 square foot Data Center and office; and (iii) other capital expenditures. This project is expected to create 40 construction jobs. It is located in Peoria, IL.

### **Third Order of St. Francis of Mary Immaculate – Final - \$11M**

Ms. Lenane shared with the Committee that the Third Order of St. Francis of Mary Immaculate project will come to the board for final approval in the amount of \$11M. Ms. Lenane shared with the Committee that the proceeds of this issuance will be used to finance or refinance, or reimburse the Borrower for, the cost of constructing, acquiring and equipping 28 independent living cottages in 14 separate duplex structures that is known as Phase 1A of Our Lady of Angels Village, fund a reserve fund, if any, pay capitalized interest on the Bonds and finance certain costs associated with the issuance of the Bonds, including the cost of any credit enhancement.

Brad Zeller inquired if this was a preliminary or final resolution. Ms. Lenane stated it was a final but on page 2<sup>nd</sup> it was stated as preliminary.

Ms. Lenane then shared that the proceeds will be used to pay off a construction loan for 28 independent living cottages, of which 25% are sold. The revenue will come from the leases and from the congregation. This is the first time the Sisters of the Third Order will be taking a project like this on their balance sheet. Cole Taylor is a new bank for this project and is doing a direct purchase.

Brad Zeller asked if the Committee had any objections to recommending the Third Order of St. Francis of Mary Immaculate project to the Board for final approval. There were no objections, Dr. Barclay announced that the Third Order of St. Francis of Mary Immaculate project will be presented to the Board at the next scheduled board meeting.
