Subject: *Message from the Executive Director*

Dear Member of the Authority:

This month, we are proud to present the first financing since 2013 under the Clean Water Initiative for consideration by the Illinois Finance Authority ("Authority"). Under the State Revolving Fund Program ("SRF Program"), the Authority maintains its longstanding and productive partnership with the Illinois Environmental Protection Agency ("IEPA") to dramatically increase the availability of lowest possible cost financing to Illinois local governments for state-of-the-art wastewater and drinking water projects. In a global economy with increasingly constrained natural resources, virtually unlimited access to clean, safe, fresh water is a major economic competitive advantage for our state. The Authority welcomes newly appointed IEPA Director Alec Messina and looks forward to an ever more productive relationship with IEPA on behalf of the people of Illinois.

What is SRF?

The IEPA SRF Program currently has just over \$3 billion in outstanding loans to 565 governmental entities. The SRF Program is a federal-state program that funds direct loans to local governments for drinking water and sewer (clean) infrastructure projects at below market interest rates, costs and terms. SRF Program loans may not be used for speculative or economic development-type activities. IEPA originates and administers SRF Program loans.

Annually, the federal government through the United States Environmental Protection Agency ("USEPA") gives \$5 for every \$1 (20%) state match (appropriated or since 2013, borrowed) to the SRF Program.

SRF Program Benefits to Local Governments and Illinois Taxpayers

Interest is generally 50% of what local governments would pay on their own as the interest rate is equal to 50% of the *Bond Buyer's 20-Bond General Obligation Index* for the preceding State fiscal year and federal fiscal year. In 2016, the current rate is 1.75% for clean (sewer) water projects and 1.86% for drinking water projects. The interest rate subsidy is economical because the federal government provides most of the equity through capitalization grants to run the SRF Program.

Additionally, SRF Program borrowers need not engage and pay bond counsel or underwriters or other costs as they would if they issued bonds on their own. Overall, reduced interest and transaction costs mean less cost to local tax and rate payers who are also Illinois taxpayers.

Why Borrow?

USEPA encourages states to expand program capacity by borrowing additional funds on the capital markets (bonds) to be used as SRF Program loans by pledging the majority of their SRF Program loan portfolios. Such borrowing (or leverage) allows the responsible expansion of SRF Program loan capacity well beyond the limitations of federal capitalization grants, state match and principal and interest from loan repayments. SRF Program bond proceeds are used to make new loans that are in turn also pledged to repay the bonds.

Moreover, capital markets generally favor this leveraged structure as evidenced by rating agencies often assigning "AAA" ratings. The "AAA" ratings are indicative of the quality of the SRF Program loans being pledged to repay the bonds (local government water projects are generally regarded as essential purpose projects, have an established revenue stream, and rarely default on debt) as well as indicative of the approximate debt coverage (approximately 5x) provided by the pool of SRF Program loans collateralizing the bonds.

Interest Rate Subsidy Increases SRF Program Demand

As a pooled financing, the bonds are subject to the federal Tax Increase Prevention and Reconciliation Act of 2005 ("TIPRA"), which imposes additional requirements and conditions in order for the interest on the bonds to be and to remain exempt from federal income taxation. TIPRA specifies that unless certain minimum percentages of the bond proceeds are originated (i.e., by IEPA) as loans for eligible projects within certain prescribed time periods (i.e., there are minimum origination requirements after years 1 and year 3), the bonds would become subject to mandatory redemption.

Accordingly, the subsidized interest rate offered through the SRF Program is beneficial not only to local tax and rate payers who are also Illinois taxpayers but also the SRF Program itself because the subsidized interest rate increases demand, thereby helping assure compliance with the applicable TIPRA spend-down requirements. For example, the subsidized interest rate has been sufficient to induce several investment grade local government borrowers to participate in the SRF Program, including Chicago, DeKalb, Evanston, Hanover Park, Libertyville, Mattoon, Skokie, Springfield, St. Charles, Sterling, and Wilmette.

The strong, experienced management teams of IEPA and the Authority remain focused on expanding the SRF Program for both investment grade and non-investment grade local government borrowers. Once the financing considered by the Authority closes, the Clean Water Initiative will be positioned to borrow on a predictable, annual basis going forward (as opposed to bond issues in 2013, 2004, 2002). Such predictability opens the door for IEPA to pursue a variety of SRF Program innovations successfully piloted in other states such as non-revenue/non-point source infrastructure projects and further reductions in the cost of borrowing for local governments.

Thank you Mordecai Tessler; Welcome Beth Smoots

We thank Mordecai Tessler for his service to the state and to the Authority. Mr. Tessler contributed his private sector development knowledge during his 3-year, 10-month tenure. We also welcome Beth Smoots to the Authority. Ms. Smoots was appointed on July 22 by Governor Rauner and brings deep knowledge of talent recruitment, development and retention as well as financial skill to the Authority.

As always, I look forward to continuing to work with you in support of jobs and financing capital expansion projects throughout our state.

Respectfully,

Christopher B. Meister

 7 BRONNER: Thank you.
 8 CHAIRMAN FUNDERBURG: Welcome. Thank you for
 9 serving. I would just like to say here we're
 10 wrapping up the fiscal year for the Illinois Finance
 11 Authority. I think we had great year, very strong
 12 year from a number of measures.
 13 I know that the Illinois Finance Authority
 14 has had a big impact on economic development and
 15 helped to add a lot of value to the State of
 16 Illinois and to citizens through the budget impasse,
 17 and continue to build and strengthen our Board and
 18 our staff, on top of the strong base that we had to
 19 start with.
 20 Next, I would like to welcome our newest
 21 Member, George Obernagel. Thank you for serving the
 22 people of Illinois and welcome to the Board.
 23 OBERNAGEL: Thank you very much.
 24 CHAIRMAN FUNDERBURG: Also, lastly, I want to
 MARZULLO REPORTING AGENCY (312) 321-9365

Page 6

1 thank all of the volunteer Board Members who give
 2 their time and their expertise and their energy to
 3 the Illinois Finance Authority.

4 There are sacrifices involved and above
 5 and beyond just the time, and I wanted to let you
 6 know as Chair, I truly appreciate it. Thank you
 7 all very much. Chris?

8 MEISTER: Thank you, Chairman. Again, I would
 9 like to echo the Chairman's welcome to
 10 Mr. Obernagel. I would also like to set the stage
 11 again. As the Chairman noted, we have had a very
 12 good year financially from the operational
 13 perspective.

14 I will let our Chief Financial Officer,
 15 Melinda Gildart, relate that, although certainly on
 16 a draft preliminary unaudited basis.

17 I had the privilege of working with
 18 Chairman Funderburg, and all of the Members, as well
 19 as all of the staff. We've had a great impact. I
 20 think that members of the public will see the
 21 diversity and impact.

22 Just on this month's agenda, there is a
 23 wide variety of projects that really demonstrate the
 24 importance of the volunteer work of the Members of
 MARZULLO REPORTING AGENCY (312) 321-9365

1 the Authority.

2 Also, I would like to update the Board
 Page 7

3 Members on various items that the Authority has been
 4 involved with over the last 12 months or so, in
 5 connection with the State's budget impasse, and I've
 6 taken the opportunity in my comments in past
 7 meetings to articulate clearly what we have
 8 committed to and how those commitments are being
 9 resolved.

10 First of all, the General Assembly passed,
 11 and Governor Rauner signed on June the 30th, what
 12 was known as a stopgap budget. Members of the
 13 Authority and the public will know that there were
 14 large portions of the State's budget and activities
 15 that were not -- that were not covered by a budget
 16 through most of the fiscal year that ended on June
 17 30th.

18 The Authority was asked to take a role in
 19 various matters, in connection with the budget
 20 impasse. I discussed those in some detail with
 21 Chairman Funderburg. I also presented these at
 22 various meetings for votes in open session to the
 23 Members of the Authority.

24 The first took place about this time last
 MARZULLO REPORTING AGENCY (312) 321-9365

1 year. There is a statutory entity known as the
 2 Southwestern Illinois Development Authority. They
 3 have certain powers similar to ours.

4 They have a regional focus, certain
 5 counties in the metro east region of Southwestern
 6 Illinois; and some years ago, back in the 1990s,
 7 they issued some bonds to a private borrower that
 Page 8

8 were backed by moral obligation. That is really a
9 contingent state taxpayer guarantee.

10 And for any number of years since that
11 time, the request has gone from their Chairman to
12 the Governor, which has then gone to the General
13 Assembly, a permissive request, not a mandatory
14 request, for the General Assembly to pay the
15 refilling of the debt service reserve.

16 Also, so that the bondholders can be paid
17 principal and interest. Without a budget last July
18 and last August, there was a payment due of
19 approximately \$1.3 million.

20 The General Assembly or the Governor's
21 Office, Governor's Office of Management and Budget,
22 asked the Authority to deploy some of our general
23 funds to SWIDA, its trustee, ultimately to its bond
24 holders.

MARZULLO REPORTING AGENCY (312) 321-9365

11

1 We did so and made a payment last August
2 the 1st. The Governor's Office of Management and
3 Budget advised the Authority that this was necessary
4 from their communications with various rating
5 agencies to prevent a downgrade of the State of
6 Illinois' credit.

7 It would have been, in my personal view, a
8 particularly silly downgrade over \$1.3 million. We
9 made that payment. That situation was avoided.

10 I'm happy to say that working with he
11 Governor's Office of Management and Budget, and

Page 9

12 SWIDA's Executive Director, Mike Lundy, there are
13 specific items within the stopgap budget for both
14 the reimbursement of the Illinois Finance Authority
15 for those payments of last year, and to enable SWIDA
16 to make its payments this coming August 1st, 2016.
17 So that's Item No. 1.

18 Item No. 2 was actually the most recent
19 item. The Department of Human Services reached out
20 to us in April. There was a program that is focused
21 in the City of Chicago. It takes the form of grants
22 to Catholic Charities, a nonprofit human services
23 organization. Housing vouchers are provided to
24 approximately 500 mentally-ill people in the City of

MARZULLO REPORTING AGENCY (312) 321-9365

12

1 Chicago by keeping them in housing.

2 They are eligible for an array of
3 services, which keeps them out of the emergency rooms
4 and jails and the streets. We were able to, again,
5 after discussions with the Chairman, presentation to
6 the Board, we deployed approximately \$600,000 to
7 Human Services.

8 These housing vouchers were maintained.
9 Yesterday, I was in touch with DHS Secretary Dimas'
10 Chief of Staff, Fred Flather. He conveyed to the
11 Members of the Authority the deep gratitude of the
12 Department of Human Services to the members of the
13 Authority for authorizing this.

14 And I should note Mr. Lundy of SWIDA is
15 similarly grateful, as is his chair for the
16 Authority's action. Mr. Flather identified for me
Page 10

17 that there are certain line items. They've been
 18 coming through the stopgap budget, which is a large
 19 and complex document, and they have basically
 20 identified some line items and that payment will be
 21 forthcoming.

22 On the \$600,000 for DHS, given the
 23 life-safety issue that was involved, I recommended
 24 to the Authority that we not take interest or fees.

MARZULLO REPORTING AGENCY (312) 321-9365

13

1 Similarly, given the grave potential consequences of
 2 missing the SWIDA payment last year, I believe that
 3 the appropriation only has a de minimis amount, \$10
 4 or \$14,000 to reimburse the Authority for our fees.
 5 So those were two items.

6 The third item, and again this is a
 7 schedule contained within the financial analysis,
 8 although unaudited, is that beginning last October
 9 or November, we had a series of presentations and
 10 discussions before the Board that ended up in a
 11 couple of resolutions, I believe in November and
 12 February, that authorized the Authority to purchase
 13 State receivables, basically vendors who had not
 14 been paid, that were providing certain essential
 15 government services.

16 And that the Illinois Finance Authority
 17 would step into the shoes of those vendors and be
 18 eligible to be compensated for up to one percent a
 19 month, what is known as statutory prompt-payment
 20 interest.

Page 11

21 Melinda has the exact amount, but I
 22 believe that at the current time, it is just over
 23 \$5,000,000, and I was on the phone with Acting
 24 Director of the Illinois Department of Central
 MARZULLO REPORTING AGENCY (312) 321-9365

9

14

1 Management Services, as opposed to Federal CMS, that
 2 deals with hospital funding, Mike Kaufman. And we
 3 are in regular communication in identifying the line
 4 items and the schedule for repayment and
 5 reimbursement by the Authority.

6 So those are the three items: The SWIDA
 7 for approximately \$1.4 million; DHS for
 8 approximately \$600,000; and the State receivables,
 9 which were mainly for food vendors for either the
 10 Department of Corrections, the veterans' homes, or
 11 the janitorial services that is owned by a
 12 disadvantaged small business that cleans the
 13 Thompson Center.

14 Because, of course, the State employees
 15 that work in the Thompson Center are under court
 16 order to continue to work and to get paid. I will
 17 take any questions.

18 CHAIRMAN FUNDERBURG: So that's all good news.
 19 MEISTER: Yes.

20 CHAIRMAN FUNDERBURG: Okay. Just to be clear.
 21 All right. Thank you, Chris. Does anyone -- would
 22 anyone like to make any additions or correction to
 23 the minutes of the May 24th or the June 9th meeting?

24 If not, then, is there a motion to approve

MARZULLO REPORTING AGENCY (312) 321-9365

Page 12

1 minutes?

2 BRONNER: So moved.

3 CHAIRMAN FUNDERBURG: By Bronner. Was there a
4 second somewhere?

5 POOLE: Second.

6 CHAIRMAN FUNDERBURG: Seconded by Mr. Poole.
7 All in favor, please say aye.

8 (A chorus of ayes.)

9 CHAIRMAN FUNDERBURG: Any opposed?

10 (No response.)

11 CHAIRMAN FUNDERBURG: Okay. Next up is
12 financial reports.

13 GILDART: Good morning. My name is Melinda
14 Gildart. I'm the Chief Financial Officer for the
15 Illinois Finance Authority, and this month's
16 financial report is as follows: For fiscal year
17 2016 unaudited results in the general operating
18 fund, the Authority has generated estimated total
19 annual revenues of \$5.3 million, and that's 6
20 percent higher than budget.

21 Closings fees year-to-date are at
22 \$3.47 million, and that's 12 percent higher than
23 budget. Net investment income for the year stands
24 at about the \$149,000.

MARZULLO REPORTING AGENCY (312) 321-9365

1 In June, the Authority generated \$479,000
2 in closing fees, and that's the second highest

4 We received closing fees from Northwest

5 Community Hospital for \$130,000, the American

6 Academy of Pediatrics for \$105,000, UnityPoint

7 Health Iowa Health System for \$101,000, Rush

8 University Medical Center for \$79,000, Lake Forest

9 Academy for \$52,000, and various ag-related closings
10 of \$4,000.

11 We have total estimated annual expenses of
12 \$4.3 million, and that's just under \$700,000 or
13 14 percent below budget. Our estimated year-to-date
14 employee expense, at \$1.8 million, and that's
15 24 percent under budget.

16 Our professional services are also at \$1.8
17 million, and that's just over 1 percent over budget.
18 Total cash transfers out of the general operating
19 fund to the primary government borrowing fund, and
20 that was behalf of the State of Illinois, are just
21 over \$5,000,000.

22 We also transferred funds out of the
23 general operating fund for the DACA loan program
24 fiscal year 2016 of \$1.2 million.

MARZULLO REPORTING AGENCY (312) 321-9365

1 In June, the Authority recorded estimated
2 operating expenses of \$466,000. That's actually
3 higher than the budgeted amount of \$419,000, because
4 we're looking year-end accruals, and we also made a
5 payment to the Office of the Auditor General for the
6 fiscal year '14-'15 financial audit and compliance
7 examination.

8 Our total estimated monthly net income of
 9 \$104,000, and that was driven by higher closing
 10 fees. Our estimated annual net income is just over
 11 \$1,000,000 for fiscal year 2016. Again, the major
 12 driver of that positive bottom-line continues to be
 13 overall level of spending at 14 percent below
 14 budget, and a combination of unfilled vacant
 15 positions, the late IT project, in addition to
 16 higher closing fees than last fiscal year.

17 The Authority's balance sheet is as of
 18 May 31st, 2016. We were a \$121,000,000 agency,
 19 which accounts for \$267,000,000 in total activity,
 20 when you account for the other State of Illinois
 21 component units, such as the Illinois Environmental
 22 Protection Agency.

23 We account for \$24,000,000,000 in
 24 outstanding conduit debt. In the general operating

MARZULLO REPORTING AGENCY (312) 321-9365

18

1 fund, we have a net position of \$54.3 million, most
 2 of which are assets. Liabilities are just over
 3 \$800,000.

4 The Authority is still reviewing the new
 5 ambulance loans for fiscal year 2016, but that
 6 review is coming to a close. We seek to issue about
 7 \$1.7 million in new ambulance loans in the next few
 8 weeks.

9 Total net position for the fire truck and
 10 the ambulance funds are at \$26.7 million. The
 11 combined net position in the Industrial Project

Page 15

12 Fund, in addition to the two State Agricultural Loan
 13 Guarantee Funds, are at over \$28,000,000.

14 All other non-major funds account for
 15 about \$39.6 million in net position for the
 16 Authority. Lastly, the Authority has formally
 17 invoiced the City of Chicago for the final payment
 18 of the \$3,000,000 due on its Illinois Housing
 19 Partnership loan, and that payment is due on or
 20 before August 1st, 2016.

21 The schedule of debt, the State of
 22 Illinois receivables summary, and other documents
 23 are also included in your manila folder this
 24 morning. Are there any questions?

MARZULLO REPORTING AGENCY (312) 321-9365

19

1 CHAIRMAN FUNDERBURG: Any questions at all?

2 MEISTER: I would just like to supplement
 3 Melinda's very positive report. Again, Section 4B,
 4 the locally-held Fire Truck and Ambulance Revolving
 5 Funds, the Members in their packets have a revised
 6 message from the Executive Director.

7 I just want to note the passing of Larry
 8 Matkatis. He is the former Fire Marshal of the
 9 State of Illinois. His funeral is this morning.

10 I worked with him closely, along with
 11 State Representative Eddie Jackson, and State
 12 Representative Don Moffitt, to revise this program
 13 several years ago. And the positive result was that
 14 this program ended up in locally-held Authority
 15 funds that allowed the Fire Marshal's Office and the
 16 IFA to deploy fire truck and ambulance loans

Page 16

17 directly from IFA balance sheet during the past
18 fiscal year, during the budget impasse.

19 So that change was made possible because
20 of Larry's work and, you know, again we lost him
21 over the weekend. So I'm sorry about that.

22 On positive news, and again we've had a
23 lot of positive news this meeting so far, George,
24 it's not always this positive, but Senate Bill 324

MARZULLO REPORTING AGENCY (312) 321-9365

20

1 that we discussed last meeting that creates using
2 resources of the Agricultural Guarantee Funds and
3 expands those to qualified small business loans to
4 veterans-owned businesses.

5 It also helped Melinda and Elizabeth and I
6 address some audit findings, and that was signed
7 into law towards the end of June, which in our view,
8 eliminates the Government Compliance Finding No. 1,
9 and the Government Financial Accounting Standards
10 No. 1 from the FY15 and the FY14 and FY15 audit.

11 So we're very pleased to both having a new
12 program, allow the staffing to be paid for from
13 existing originally-appropriated funds. We look
14 forward to working with Lerry Knox, a Navy veteran,
15 who will be working with us on an Advisory Council
16 to implement this and conversations with Senator
17 Burtino-Terrant and Representative Natalie Manley,
18 who helped passed this.

19 And we're also very grateful to Governor
20 Rauner, who put this high on his signing agenda, and

Page 17

21 it was signed into law before the end of May.

22 CHAI RMAN FUNDERBURG: Okay, thank you. Any
23 other questions at all? If not, then, is there a
24 motion to approve this month's or accept this

MARZULLO REPORTING AGENCY (312) 321-9365

21

1 month's financial report?

2 BRONNER: So moved.

3 CHAI RMAN FUNDERBURG: Is there a second?

4 FUENTES: Second.

5 CHAI RMAN FUNDERBURG: All in favor, please say
6 aye.

7 (A chorus of ayes.)

8 CHAI RMAN FUNDERBURG: Any opposed?

9 (No response.)

10 CHAI RMAN FUNDERBURG: Thank you. Please.

11 GILDART: This month's Procurement Report, the
12 Authority has executed contract renewals for
13 financial advisory services with Acacia Financial
14 Group and Sycamore Advisors.

15 We executed an agreement with U.S. Bank to
16 continue as the paying agent and custodian for
17 Authority's local government pool, in addition to
18 several IT operations, related agreements and other
19 agreements for furniture, storage services, public
20 meetings, reporting services, temporary staffing,
21 Board book printing, electronic records management,
22 and an agreement for hard-copy file records storage
23 is also pending.

24 The Authority is also seeking to award a
MARZULLO REPORTING AGENCY (312) 321-9365
Page 18

1 contract with a successful certified public
2 accounting firm to assist it with its implementation
3 with new government accounting standards for
4 expanded financial reporting for investments.

5 In addition to Resolutions on the agenda
6 today, involving the State Revolving Fund on behalf
7 of Illinois Environmental Protection Agency, will be
8 discussed later.

9 CHAIRMAN FUNDERBURG: Okay. Thank you very
10 much. Next are Committee Reports by Chair Bronner.

11 BRONNER: Thank you. Thank you, Mr. Chairman.
12 The Audit Plus Committee met Tuesday afternoon and
13 voted unanimously to recommend for approval both the
14 fiscal year 2017 budget, as well as the Procurement
15 Resolution on today's agenda.

16 Although State Revolving Fund Senior
17 Managers and Co-Managers were not discussed or voted
18 on, because the staff evaluators had not yet
19 completed their work. I understand that this work
20 is now completed, and that the Executive Director
21 will provide these recommendations today.

22 Additionally, the Audit Plus Committee
23 reviewed a memo regarding IFA's supplemental
24 responses for the fiscal year 2014 financial audit
MARZULLO REPORTING AGENCY (312) 321-9365

1 and fiscal years 2014 and 2015 compliance
2 examination for the Legislative Audit Commission, in

3 addition to the final report on the Authority's
4 fiscal year 2016 GAAP package internal audit. I'm
5 pleased to report continued positive progress on all
6 fronts, and in particular in addressing any and all
7 audit findings.

8 CHAIRMAN FUNDERBURG: Thank you. Thank you
9 very much.

10 BRONNER: Thank you.

11 CHAIRMAN FUNDERBURG: Mr. Horne?

12 HORNE: Yes. The Tax-Exempt Conduit

13 Transactions Committee met this morning prior to
14 this meeting, and voted unanimously to recommend
15 each of the tax-exempt transactions that are on
16 today's agenda.

17 CHAIRMAN FUNDERBURG: Okay. Thank you. There
18 are no other reports. Item No. 10 on the agenda is
19 a Presentation and Consideration of Project Reports
20 and Resolutions.

21 I would like to ask as each month we ask
22 for the general consent of the Members to consider
23 the Project Reports and Resolutions collectively,
24 and to have the subsequent vote recorded and applied

MARZULLO REPORTING AGENCY (312) 321-9365

1 to each respectively individual Project and
2 Resolution, unless there is something, a Project to
3 report or Resolution that a Member would like to
4 consider separately.

5 Are there any items that the Members would
6 like to consider separately?

7 GOETZ: Mr. Chairman, this is Mike Goetz. I

8 may need to recuse myself on the Presence project.
9 I think it's Item No. 5.

10 CHAIRMAN FUNDERBURG: It's Item No. 5, and
11 please note that's Member Goetz.

12 Also, I would like to recuse myself from
13 voting and any deliberations with respect to Item
14 No. 2 on the agenda, which is The Art Institute of
15 Chicago; Item No. 8, which is OSF Healthcare System;
16 and Item No. 12, Procurements for the Project Report
17 and Resolutions.

18 So are there any others at all? Okay. If
19 not, then I would like to go ahead with the
20 presentations.

21 Patrick are you on the phone? Patrick?

22 EVANS: Yes, this is Patrick Evans with

23 Illinois Finance Authority. Today we have three
24 beginning farmer bonds.

MARZULLO REPORTING AGENCY (312) 321-9365

25

1 All three bonds will be purchased by the
2 local bank and will be senior mortgage. Farm
3 Service Agency, also known as FSA, will participate
4 in origination of these loans, and will subordinate
5 their interest in the collateral to the
6 participating banks.

7 The first two loans are two sisters, Tracy
8 Heurman and Michelle Melendorf, for purchasing
9 equal interest in 48 acres of farmland. People's
10 State Bank of Newton is requesting beginning farmer
11 bonds for each loan.

Page 21

12 Each loan will have the same loan term.
13 Each individual will be requesting financing to
14 purchase one-half interest in 40 acres of farmland
15 for \$6,000 or \$400 per acre.

16 The property is located in southeast
17 portion of Clay County in Southeast Illinois. These
18 loans will be originated via an FSA 5/45/50 loan
19 program. Each borrower will interject 5 percent
20 equity into the purchase.

21 FSA will finance 45 percent, and the local
22 bank will finance the remaining 50 percent of the
23 purchase or \$48,000. This \$48,000 loan will utilize
24 an IFA bond program. The terms of this loan will be

MARZULLO REPORTING AGENCY (312) 321-9365

9

26

1 a 30-year amortization with annual principal and
2 interest payment.

3 The interest rate will be 3.25 percent
4 fixed for 10 years. The interest rate will adjust
5 every 10 years at 2 percent below prime with a floor
6 of 3.25 and a cap of 12.99. The interest rate will
7 not adjust more than 3 percent at any
8 rate-adjustment period.

9 The final loan is Brent McClure. People's
10 State Bank of Newton is requesting a beginning
11 farmer bond for Brent McClure, who is purchasing
12 40 acres of farmland for \$244,800 or \$6,120 per
13 acre.

14 The property is located in Jasper County
15 in Southeast Illinois. The loan will originate via
16 50/50/ FSA loan program. FSA will finance the first
Page 22

17 50 percent of the purchase with a local bank
 18 financing the remaining 50 percent or \$122,400.
 19 This loan will utilize the FSA bond
 20 program. The terms will be 30-year amortization
 21 with annual principal and interest payment. The
 22 initial rate will be 3.25 fixed for 10 years.

23 The interest rate will adjust every 10
 24 years thereafter at 2 percent below Wall Street
 MARZULLO REPORTING AGENCY (312) 321-9365

1 prime, and a floor of 3.25 with a cap at 12.99 will
 2 be established. Excuse me. The interest rate will
 3 not adjust more than 3 percent in any adjustment
 4 period. Any questions?

5 CHAIRMAN FUNDERBURG: Okay. If no questions,
 6 then Mr. Fletcher?

7 FLETCHER: Certainly. We'll skip ahead to
 8 No. 3 in the Board book, which is Final Bond
 9 Resolution on behalf of Mount Carmel High School, in
 10 a not-to-exceed amount of \$22,000,000.

11 Established in 1900, Mount Carmel is an
 12 Catholic all-boy's high school located on the south
 13 side of Chicago at 64th and Dante Avenue. It's
 14 sponsored by the Society of Mount Carmel and managed
 15 by an 18 member board of directors.

16 The plan of finance here seeks to refund
 17 the Series 2003 bonds outstanding in the amount of
 18 approximately \$13.2 million, as well as finance
 19 capital expenditures in the approximate amount of 18
 20 -- excuse me, \$8.8 million, including cost of

Page 23

21 issuance.

22 The Series 2016 bond will be a direct
 23 purchase by Wintrust Bank. I would like to turn
 24 your attention to the middle of page 5 of the

1 report. We provided an estimated breakdown of the
 2 project cost that will be financed with the Series
 3 2016 bond, including certain demolition cost,
 4 masonry and carpentry cost, as well as HVAC,
 5 electrical, plumbing and fire protection costs.

6 These improvements on campus are part of
 7 the school's overall of \$50,000,000 new campaign --
 8 excuse me, a campaign for a New Century of
 9 Excellence Fundraising Campaign, which first began
 10 in 2008.

11 Because the borrower is a non-rated
 12 entity, we provided a confidential forecast at the
 13 beginning of page 8. We anticipate that they'll
 14 generate sufficient operating cash flows to cover
 15 the proposed debt service.

16 Additionally, the Series 2016 bond will be
 17 secured by a repayment guarantee provided by Mount
 18 Carmel Educational Foundation, Inc. The school is
 19 the sole beneficiary of the Foundation.

20 Finally, I wanted to note because the
 21 Series 2003 bond that will be refunded through the
 22 issuance of the 2016 bond, is secured by a letter of
 23 credit issued by JP Morgan Chase, you'll note on the
 24 top of page 8 that we discounted our fee consistent

 2 CHAIRMAN FUNDERBURG: No questions? Thank you
 3 very much.

4 FLETCHER: Sure.

5 LENANE: This is project No. 4 in your book.
 6 The Newman Foundation at the University of Illinois.
 7 The Newman Foundation at the University of Illinois
 8 is requesting a one-time final resolution in an
 9 amount not to exceed \$40,000,000.

10 The purpose of the financing is to refund
 11 their 2007 bonds, which were used to build a student
 12 housing facility. The Newman Foundation focuses on
 13 three operating areas: St. John Chapel, which
 14 conducts masses for Catholics; Newman Hall, which
 15 provides 581 beds for certified student housing; and
 16 the Institute for Catholic Thought, which provides
 17 theology courses for both college credit and
 18 non-college credit.

19 The financing is a direct bank purchase by
 20 PNC Bank. The interest rate will be variable with a
 21 swap to fixed. The variable bank rate floats at a
 22 tax-exempt equivalent of LIBOR plus the spread.

23 The Newman Foundation at the University of
 24 Illinois was first organized in 1905. Today Newman
 MARZULLO REPORTING AGENCY (312) 321-9365

1 Centers can be found at most large public
 2 universities throughout the country.

3 In 1927, the Newman complex was built at
 4 the University of Illinois, consisting of St. John's
 5 Catholic Chapel and Newman Hall, students' resident.
 6 The Newman Center is located at the heart of the
 7 University of Illinois campus, directly across from
 8 the library and the armory, less than one block from
 9 the quad Foellinger Auditorium and most classroom
 10 buildings.

11 The hall was expanded in 2008 to a 381 bed
 12 capacity. Newman Hall is one of the 16 private
 13 certified housing facilities, included as part of
 14 the University's housing program. Private certified
 15 housing meets standards set by the University of
 16 Illinois for all students, including freshmen.
 17 Within any given year, approximately 27 percent of
 18 the entering freshmen class chooses to live in one
 19 of the private certified housing facilities.

20 Freshmen enrollment for the fall of 2015
 21 was 7,222; undergraduate enrollment, 32,878; and a
 22 total enrollment of 43,123. Freshmen are required to
 23 spend their first 30 academic hours at the
 24 University or private certified housing.

MARZULLO REPORTING AGENCY (312) 321-9365

1 Students may transfer to Newman Hall when
 2 there is a vacancy without penalty. The
 3 University's private certified housing requires
 4 standards to meet for -- to be met for eligible --
 5 for safety, space and amenities.

6 All students must be eligible to apply for
 7 private certified housing, regardless of religion.
 Page 26

Newman's audited 2015 financials show good debt service coverage of 1.76 and days cash on hand of 165 days.

This refunding will give Newman a net present value savings at \$10.5 million on their bonds. I would like to introduce Ms. Anne Donahoe, who is a financial advisor, and is a financial advisor to Newman Foundation.

DONAHOE: Hello. I would be happy to answer any questions you might have about this financing. Pam summarized the economics well, as well as described the Newman Foundation and the residential halls down there.

Does anyone have any questions that I might be able to answer? Well, having not heard any questions, I want to thank you on behalf of the Newman Foundation for your assistance with doing

MARZULLO REPORTING AGENCY (312) 321-9365

32

this financing, which as Pam said will result in considerable net value savings for them. Thank you.

CHAI RMAN FUNDERBURG: Great. We thank you for coming today.

LENANE: Okay. We're going over No. 5, right? FLETCHER: Correct.

LENANE: And we're going to go to No. 6, which is Riverside Medical Center, Riverside Senior Living Center, and Oakside Corporation.

Riverside Medical Center, Riverside Senior Living and Oakside Corporation are requesting a

Page 27

Final Bond Resolution in the amount not to exceed \$90,000,000, to currently refund all or a portion of the IFA's 2006C bonds, to advance or refund all or a portion of the IFA Series 2009 bonds, and to pay or reimburse Riverside for the cost of acquiring, constructing, renovating, remodeling and equipping certain health facilities owned by Riverside.

This will produce 97 construction jobs and for this work, and two new jobs at Riverside.

Riverside is a regional health system operating in the far southern portion of Chicago of the Chicago metropolitan market and is headquartered in Kankakee. Riverside owns and operates a general

MARZULLO REPORTING AGENCY (312) 321-9365

33

acute care hospital in Kankakee, which is licensed for 312 beds.

In addition to the main Kankakee Hospital facility, Riverside operates the Resolve Center in Manteno Illinois, which houses 18 bed licensed inpatient, substance abuse and associated outside program.

In addition, Riverside operates multiple community primary and specialty health centers in Kankakee, Bourbonnais, Manteno, Monee, Momence, Hopkins Park, Watseka, Gilman, Wilmington, Peotone and Coal City. Lots of places.

Anyway, Riverside also owns and operates a senior living community in that includes 90 independent living apartments, known as Westwood Oak, 96 assisted living apartments known as

Page 28

17 Butterfield Court, and a 21 ranch-style family homes
18 for seniors known as Westwood Estates, and 160 bed
19 nursing facilities.

20 The senior living community is located
21 directly across from the medical center in Kankakee.
22 The Living Center also operates assisted living and
23 a memory care campus in Bourbonnais, consisting of
24 48 studio units for memory care, and 33 -- 32

MARZULLO REPORTING AGENCY (312) 321-9365

34

1 assisted living units.

2 From growth and investments and new
3 programs, Riverside has added 331 new jobs since
4 June 20, 2012. Riverside has a history of a strong
5 operating margin and favorable liquidity rates.

6 The net present value -- their current
7 days cash on hand is 379, and the net present value
8 savings from the current refunding of the Series
9 2006C and the partial advance refunding of the 2009
10 bonds, is estimated at \$6.1 million.

11 Are there any questions?

12 CHAIRMAN FUNDERBURG: So we'll move on to
13 Item 7.

14 LENANE: Thank you. No. 7, Smith Village.
15 Smith Village returns for a final resolution in an
16 amount not to exceed \$35,000,000. The bond proceeds
17 will be used to currently refund the 2005A bond, and
18 the 2005B-2 bond and pay a portion -- pay for the
19 cost of issuance.

20 Smith Village is an Illinois

Page 29

21 not-for-profit located in Chicago's Beverly
22 neighborhood and operates a continuing care
23 retirement community consisting of 149 independent
24 living units, 57 traditional assisted living units,
MARZULLO REPORTING AGENCY (312) 321-9365

¶

35

1 24 memory care units, and 100 skilled nursing beds.

2 Smith Village is currently a non-rated
3 entity. The plan of finance contemplates a direct
4 bank purchase of the bonds by First Midwest Bank and
5 First Merit Bank. The bonds will be issued as
6 floating-rate debt and will be swapped to fixed-rate
7 debt.

8 The refinancing of the 2005A bonds and the
9 Series 2005B-2 bonds will result in a total savings
10 of \$11,347,000 over the next 10 years, with an
11 average annual debt service savings of approximately
12 \$1.1 million.

13 As a result of the issuance, long-term
14 debt obligations will immediately be reduced by
15 \$2,600,000. The debt service coverage from the
16 audited 2015 financials is 2.05, and the days cash
17 on hand is 204 days. Any questions?

18 I note Smith Village's financial advisor,
19 Tom Starshak, is here. I don't know if you want to
20 make any comment.

21 STARSHAK: No.

22 LENANE: Or you could answer questions. Number
23 of 8 -- 9?

24 MEISTER: Yes.

MARZULLO REPORTING AGENCY (312) 321-9365

Page 30

1 LENANE: Oh, right. Got it. The Moorings of
 2 Arlington Heights is seeking a preliminary -- is
 3 requesting a Preliminary Bond Resolution in the
 4 amount of not to exceed \$70,000,000 to fund the
 5 construction of Fellowship Hall, a 27,000
 6 square-foot resident common area; and to fund the
 7 construction of 73 assisted living units, and
 8 construction of 20 unit memory care expansion, and
 9 to fund interest on the bonds for a period of
 10 approximately 24 months.

11 Presbyterian Homes, a newly-formed
 12 not-for-profit, became the sole member of the --
 13 sole member of Presbyterian Homes transition NFP,
 14 and now the Moorings is a subsidiary of the
 15 Presbyterian Homes.

16 The system is headquartered in Evanston,
 17 Illinois, a suburb of north Chicago, and currently
 18 serves of approximately 1,600 older adults
 19 throughout its five facilities and various programs.

20 The project will produce 85 construction
 21 jobs and 50 new jobs. The bonds will be a direct
 22 bank placement with First Midwest Bank and
 23 Huntington Bank.

24 They will be a variable-rate debt with the
 MARZULLO REPORTING AGENCY (312) 321-9365

1 an interest-rate hedge. I will present their
 2 financials alone at the next meeting, at next

3 month's meeting, when we do the final.
 4 Currently, the Moorings' financials are
 5 part of Pres. Homes, and we have to break them out
 6 and do some projections, but we'll have that for the
 7 final.

8 CHAI RMAN FUNDERBURG: Okay.

9 LENANE: Thank you.

10 CHAI RMAN FUNDERBURG: Thank you.

11 FLETCHER: Mr. Chairman, Members, next is tab
 12 No. 10, which is a resolution on behalf of MACC
 13 Machinery Company and its corporate affiliate, 590
 14 Tower Boulevard, LLC.

15 In 2006, JP Morgan Chase Bank purchased
 16 the IFA bond at a fixed interest rate through June
 17 of this year, 2016. At this time we are being asked
 18 to consent. The borrower and the bank have agreed
 19 to fix that interest rate at a reset rate for
 20 another five years, as well as adjust the
 21 amortization schedule through maturity.

22 Because of that change in the amortization
 23 schedule, IFA will be conducting a public hearing
 24 tomorrow, as well as receiving appropriate approvals

MARZULLO REPORTING AGENCY (312) 321-9365

1 from the Governor's Office.

2 Accordingly, I will be charging a \$5,000
 3 fee for this reissuance for tax purposes. And just
 4 as background, bond proceeds in 1999 were originally
 5 to finance the company's construction of its
 6 manufacturing facility out in Carol Stream. I can
 7 take any questions.

8 Next is tab No. 11 in your Board book,
9 which is a technical amendment for Navistar, Inc.
10 IFA issued a Series 2010 bond under provisions of
11 the American Recovery and Reinvestment Act in
12 December of 2010.

13 This is technical amendment; we are being
14 asked to consent to simply correcting a scrivener's
15 error in the bond documents in connection with the
16 definition of disqualified capital stock. IFA is
17 happy to do this as customer service. Accordingly,
18 we will be taking no fee. Any questions?

19 CHAIRMAN FUNDERBURG: Thank you.

20 MEISTER: Okay, Item No. 13 is a request for
21 approval of an inter-governmental agreement between
22 the Illinois Finance Authority and our State-sister
23 agency, the Department of Commerce and Economic
24 opportunity.

MARZULLO REPORTING AGENCY (312) 321-9365

39

1 They have leased space, DCEO, Department
2 of Economic -- Commerce and Economic Opportunity has
3 leased space in a building in downtown Springfield,
4 within walking distance of the State Capitol, and we
5 have two offices there.

6 Tammy Harter and Patrick Evans, we pay no
7 fee for this, and I'll take any questions, and I ask
8 for the Board support.

9 Okay. Every July at this meeting, the
10 Authority adopts a budget for the next 12 months.
11 We are now in fiscal year 2017. And because of the

Page 33

12 unique governance and funding structure of the
13 Authority, we generate our own revenues, and that
14 revenue goes largely into our own locally-held
15 accounts; and then the authority is delegated to
16 myself and to senior staff to write checks and spend
17 money from those accounts.

18 We do, in tab No. 15, supplement it by --
19 in the Board Member's manila folders, there is a
20 cover page on top of the Resolution. The cover page
21 takes the place of the cover page in your Board
22 book.

23 But this is the most detailed budget that
24 I believe that the Authority has ever submitted to

MARZULLO REPORTING AGENCY (312) 321-9365

40

1 the Board. I want to compliment Melinda and her
2 team for their fine work on this, along with the
3 other three members of the senior staff, General
4 Counsel Elizabeth Weber, Vice-President Rich
5 Frampton, and Vice-President Pam Lenane.

6 A piece of work product like this only
7 comes because of the collegial working of the senior
8 team. The grand total is just over \$4.9 million.
9 It is very similar to last year's budget.

10 We do have -- we do have some -- we have
11 eliminated some previously-approved IT systems and
12 implementation and some prior head count. It does
13 include up to -- it allows for up to a -- it allows
14 for a partial increase for staff.

15 I've discussed with Chairman Funderburg
16 and Chairman Anderberg that given the workload and
Page 34

17 the uncertainty connected with the budget impasse
 18 items that I discussed, that it was my
 19 recommendation to the Board rather than, as we did
 20 last year, do staff evaluations and salary
 21 adjustments at the July meeting, that we do that in
 22 August so there is a line item that accounts for
 23 that after work with staff and submission to the
 24 Authority on that.

MARZULLO REPORTING AGENCY (312) 321-9365

41

1 I will tell you, and we had a robust
 2 discussion in Chairman Horne's Committee, the
 3 Conduct Committee, which is our prime revenue
 4 driver. I do want to thank Pam and Rich.
 5 They have provided, as well as their deep
 6 knowledge and experience of their respective
 7 markets, allow revenue projections for the next 12
 8 months. I have pressed them to go beyond that.
 9 I believe that these predictions are
 10 merited, in light of current deal pipeline and the
 11 current historically low interest rates.

12 So we'll take any questions or if Melinda
 13 has any supplements. We did discuss this in some
 14 detail yesterday morning.

15 GILDART: Just to highlight the assumptions,
 16 and as Chris mentioned, the elimination of vacant
 17 positions from the FY16 budget, in addition to the
 18 debt management software implementation that was
 19 eliminated in FY17.

20 It assumes a full year temporarily

Page 35

21 staffing, and also the continuation of the
 22 electronic records management implementation which
 23 began in 2013, which allows for the Authority to
 24 convert all of its hard-copy files into electronic

MARZULLO REPORTING AGENCY (312) 321-9365

42

1 format for ease of accessibility to all staff and
 2 other users.

3 MEISTER: Also, to supplement Melinda's
 4 comments, and also for the newer Members of the
 5 Board, the Authority is subject to certain State
 6 regulatory screens, in particular what's known as
 7 the U.S. Supreme Court Rutan decision.

8 A number of Senior Members of the
 9 Authority have been trained on the official Rutan
 10 training. We have relied, over the last year and
 11 before, on temporary staffing services.

12 While that is costly, we do want to get
 13 away from that, although the positions that we need
 14 to fill are subject to this screen, which is subject
 15 to a fairly complicated and complex regulatory
 16 screen, but we are working with the Illinois

17 Department of Central Management Services on that.
 18 Also, with respect to this IT system, this
 19 was something that Melinda and I discussed, and that
 20 I had signed off on. The budget simply does not
 21 support it, although I do want to note for the Board
 22 that over the past two years, we've devoted
 23 significant investments to addressing long-standing
 24 investments in compliance and other related --

MARZULLO REPORTING AGENCY (312) 321-9365

Page 36

1 addressing other related costs.

2 Temporary staffing has been a large part
3 of that effort. Although the ultimate decision is
4 qualified effective permanent staff, which we hope
5 to have in the next 12 months.

6 It was a difficult decision to walk away
7 from this particular staff investment. The bright
8 side is that there is a newly-created by Governor's
9 Executive Order IT Department within State
10 government called D0-IT. I can't tell you what it
11 stands for. Oh, here, Melinda has it. Say it again
12 for the record.

13 GILDART: Innovation and Technology.

14 MEISTER: Yes, Innovation and Technology. I
15 like the way that they've taken IT and called it
16 Innovation and Technology.

17 But I was in communication with Secretary
18 Hartick Botts, who heads up D0-IT, his chief of
19 staff. As we were making this decision, we are
20 going to reopen discussions with D0-IT. I'm trying
21 to piggyback on to some of their expertise and
22 resources.

23 So, again, this is a budget. And again,
24 from the revenue perspective, we could still fall
MARZULLO REPORTING AGENCY (312) 321-9365

1 short, although I believe that our assumptions and
2 our projections are reasonable, particularly in

3 light of the current moment. But the Authority and
4 its staff, as good as they are at their respective
5 sectors, it is ultimately the decision of private
6 borrowers, their financial advisors, their bankers,
7 to come to the Authority and issue or restructure
8 debt, not the decisions of Pam and Rich, or the rest
9 of the staff. But I ask for an aye vote from the
10 Board.

11 CHAIRMAN FUNDERBURG: Okay. In regard to the
12 budget, too, I know it has been a thorough process,
13 and that Executive Director Meister has pushed in
14 appropriate places on the revenue side and been very
15 mindful on the expense side.

16 Any discussion or questions on that, or
17 anything else we discussed for that matter before a
18 vote?

19 Okay. Then I would like to request a
20 motion to pass and adopt the following Project
21 Reports and Resolutions: Item 1, 3, 4, 6, 7, 9, 10,
22 11, 13 and 4. Is there such a motion?

23 ANDERBERG: So moved.

24 CHAIRMAN FUNDERBURG: By Mr. Anderberg.
MARZULLO REPORTING AGENCY (312) 321-9365

1 McCoy: Second.

2 CHAIRMAN FUNDERBURG: By Mr. McCoy.

3 FLETCHER: On the second and motion, I'll call
4 the roll. Mr. Anderberg?

5 ANDERBERG: Yes.

6 FLETCHER: Ms. Bronner?

7 BRONNER: Yes.

8 FLETCHER: Mr. Fuentes?
 9 FUENTES: Yes.
 10 FLETCHER: Mr. Goetz on the phone?
 11 GOETZ: Yes.
 12 FLETCHER: Mr. Horne?
 13 HORNE: Yes.
 14 FLETCHER: Ms. Juracek?
 15 JURACEK: Yes.
 16 FLETCHER: Mr. Knox?
 17 KNOX: Yes.
 18 FLETCHER: Mr. McCoy?
 19 MCCOY: Yes.
 20 FLETCHER: Mr. Obernagel?
 21 OBERNAGEL: Yes.
 22 FLETCHER: Mr. Poole?
 23 POOLE: Yes.
 24 FLETCHER: Mr. Zeller?

MARZULLO REPORTING AGENCY (312) 321-9365

46

1 ZELLER: Yes.
 2 FLETCHER: Mr. Chairman?
 3 CHAIRMAN FUNDERBURG: Yes.
 4 FLETCHER: Mr. Chairman, the motion carries.
 5 CHAIRMAN FUNDERBURG: Thank you very much. At
 6 this point, I would like to excuse myself from the
 7 room and excuse myself from voting on the next items
 8 here.

9 First, The Art Institute. I serve on a
 10 committee of an auxiliary group of The Art
 11 Institute. Also, on OSF, I have business and

Page 39

12 personal relationships; on the procurement side, I
 13 have personal relationships with some of the firms
 14 that are being considered. So excuse me.

15 FRAMPTON: Okay, thank you.

16 FLETCHER: Let the record reflect that

17 Chairman Funderburg has recused himself from
 18 deliberations by exiting the room.

19 FRAMPTON: Okay, thank you. With that, we will
 20 move on to tab 2 in your book, which is for The Art
 21 Institute of Chicago. The Art Institute is
 22 requested a Final Bond Resolution in an amount not
 23 to exceed \$47,500,000.

24 The proceeds will be used to advance

MARZULLO REPORTING AGENCY (312) 321-9365

47

1 refund The Art Institute Series 2009A bonds, the
 2 2008 -- the 2009A bonds were a part of an original
 3 \$140,000,000 financing, the proceeds of which were
 4 primarily used to provide for permanent financing
 5 for The Art Institute's modern wing.

6 In addition to that, there were
 7 improvements to Gonzales Hall, a number of galleries
 8 and also other capital improvements were undertaken
 9 at that time.

10 Currently, these 2009A bonds bear a fixed
 11 interest rate of 6 percent. The existing final
 12 maturity date is March 1, 2038. In connection with
 13 the refinancing, that final maturity date will be
 14 maintained, but The Art Institute will be able to
 15 ride down the yield curve to where current market
 16 rates are.

Page 40

17 The 20-year rates, just based on where the
18 MMD Index is, is around 2-and-a-half percent or so.
19 The Art Institute also, as a result of the savings,
20 expects to be able to also begin amortizing this,
21 the 2016 bonds.

22 So not only will they lower the interest
23 rate, but they'll be able to apply savings to
24 accelerate amortization and to also attain

MARZULLO REPORTING AGENCY (312) 321-9365

48

1 de-leveraging objectives.

2 In January, Moody's upgraded The Art
3 Institute of Chicago's credit outlook from neutral
4 to positive and also affirmed their A1 rating. At
5 the time Moody's noted that The Art Institute, and
6 they have a positive outlook that reflected
7 expectations of continued strong cash flow, in
8 addition to ongoing significant debt reduction,
9 which will occur without adversely affecting the
10 institution's liquidity.

11 And with that, I will conclude my remarks.

12 With that, I would like to introduce --

13 SOWDEN: Alison Sowden.

14 FRAMPTON: Alison Sowden, who is Executive
15 Vice-President and Chief Financial Officer of The
16 Art Institute of Chicago.

17 SOWDEN: Thank you for your consideration this
18 morning. We have had a long partnership with the
19 IFA, which we're grateful.

20 The Art Institute has been issuing

Page 41

21 tax-exempt debt since 1978 when not-for-profits were
22 first allowed to do so. This issuance will allow us
23 to generate considerable net value savings on the
24 advance refunding. We are proud to be partnering

MARZULLO REPORTING AGENCY (312) 321-9365

49

1 with our underwriters, JP Morgan and Loop Capital,
2 on this deal.

3 So I'll ask if there are any questions
4 that I can help you, but I thank you again.

5 BRONNER: No questions.

6 FRAMPTON: Okay, thank you very much.

7 BRONNER: Thank you, Mr. Frampton.

8 LENANE: This is tab No. 8. OSF Healthcare --
9 OSF Healthcare System is requesting a one-time Final
10 Bond Resolution approving the issuance of tax-exempt
11 bonds in an amount not to exceed \$120,000,000. The
12 proceeds will be used to advance refund the IFA's
13 Series 2010 bond.

14 OSF is headquartered in Peoria. Ten of
15 the hospitals -- the corporation's hospitals are
16 located in Illinois. One hospital is located in
17 Michigan.

18 OSF has 1500 licensed acute care beds.
19 The corporation's largest hospital, St. Francis
20 Medical Center in Peoria, is a 609 bed tertiary care
21 teaching hospital, and the center providing numerous
22 specialty services and extensive residency programs
23 for physicians.

24 The array of healthcare services provided

MARZULLO REPORTING AGENCY (312) 321-9365

Page 42

1 by OSF include 44 hospital-based outpatient
 2 facilities, approximately 248 physician offices; and
 3 of employed physicians, six home healthcare agencies
 4 and five hospices.

5 The system currently employs 15,290
 6 people. OSF is rated A2 by Moody's and A by S&P.
 7 The bond will be fixed-rate debt, with the rate to
 8 be determined at pricing. The bonds are being
 9 underwritten by Barclays.

10 OSF has strong financials with a 3.45 debt
 11 service coverage and 215 days cash on hand. The net
 12 present value savings from this advance refunding is
 13 estimated to be approximately \$16,000,000. And
 14 today we have with us again Ms. Anne Donahoe,
 15 financial advisor to OSF.

16 DONAHOE: Thanks, Pam. I would be glad to
 17 answer any questions that you might have; but
 18 interestingly enough, just as The Art Institute had
 19 the 6 percent, these were 6-percent bonds back
 20 following the crisis that was interest rates that
 21 were -- had to be accepted, but now can be advance
 22 refunded for significant savings.

23 So OSF has been here before for multiple
 24 financings. It's a large organization and do

MARZULLO REPORTING AGENCY (312) 321-9365

1 appreciate the Illinois Finance Authority in
 2 general, and Pam in particular. May I answer any

4 BRONNER: No questions. Thank you.

5 DONAHOE: Thank you on behalf of OSF. Thank
 6 you very much.

7 BRONNER: Thank you. Thank you, Pam. And now
 8 we move to Item No. 12.

9 MEISTER: Yes.

10 BRONNER: Resolution -- Procurement.

11 MEISTER: So Item No. 12, there is a
 12 memorandum, a revised version that is contained in
 13 the Board Member's manila folders.

14 FLETCHER: Wait. Not yet.

15 MEISTER: So there are four items, and I will
 16 highlight the revisions. The first item is we are
 17 seeking Board approval for the extension of the
 18 competitively procured financial advisor contracts
 19 for the Authority.

20 This is the first renewal; the two
 21 financial advisors that are paid hourly are Acacia
 22 Financial Group of and Sycamore Advisors. Both are
 23 women-owned businesses.

24 We rely on them for two functions: First,
 MARZULLO REPORTING AGENCY (312) 321-9365

1 the business of the Authority; and second, we have
 2 an upcoming financing with the Illinois
 3 Environmental Protection Agency, known as the State
 4 Revolving Fund, and I've assigned both of these
 5 financial advisors to assist with that to use their
 6 expertise.

7 I ask for the Board's approval on both of
 Page 44

8 these, both the extension and for work on the State
9 Revolving Fund. I will take any questions.

10 I will also note on all of these, and
11 there was a line out in your revised memo, is that
12 this memo was originally prepared for the Board
13 books before we had balanced everybody's schedule
14 for the Audit Procurement and Budget Meeting that
15 took place on Tuesday of this week; hence, the
16 deleted language.

17 No. 2, this is for -- also for the State
18 Revolving Fund with Illinois Environmental
19 Protection Agency, at the request of the Illinois
20 Environmental Protection Agency, the Illinois
21 Finance Authority is working in the next month or
22 two to issue bonds pursuant to this program.

23 Unlike the conduit bonds that the Members
24 have heard through most of this meeting, these are

MARZULLO REPORTING AGENCY (312) 321-9365

53

1 more akin of IFA and IEPA, both being the issuer and
2 the borrower; whereas, for as example with OSF or
3 The Art Institute, OSF and The Art Institute are the
4 borrowers and the Authority is the conduit issuer.

5 Pursuant to the State Procurement
6 Regulations, back in September of 2012, there was a
7 fairly lengthy competitive process, and ultimately
8 four senior managers and -- okay, four senior
9 managers and a number of co-managers were selected.
10 They were graded. They were put under contract.

11 There was at the time -- and ultimately in

Page 45

12 November of 2013, we issued \$140,000,000 of bonds.
13 At that time it was Bank of America Merrill Lynch,
14 who was the senior manager, and we had two
15 co-managers: Ramirez and Loop Capital.

16 We are now looking at a significantly
17 larger financing than the \$140,000,000. I'll also
18 note for the record that prior to 2013, the
19 Authority and its predecessor, the Development
20 Finance Authority, issued State Revolving Fund bonds
21 in 2004 and in 2002.

22 The 2013 deal was a success. We borrowed
23 \$140,000,000 worth of bonds. They were rated by two
24 separate rating agencies as AAA. They were priced

MARZULLO REPORTING AGENCY (312) 321-9365

54

1 with no Illinois penalty, and this was quite an
2 accomplishment at the time that it was some weeks
3 before pension reform that has now been overturned
4 by the Illinois Supreme Court, but it was some weeks
5 before that was passed by the General Assembly the
6 first time.

7 And because of the way that we partner
8 with IEPA, we freed up some State reserve funds, and
9 we borrowed a number of years of State match. So,
10 in essence, because this is a federal program that
11 is accessed.

12 So, in essence, we borrowed \$140,000,000,
13 and we took a \$400,000,000 loan program and turned
14 it into a nearly \$800,000,000 loan program. So what
15 we did was we took these contracts.

There was a discrepancy between the

Page 46

17 solicitation document that contemplated extension of
 18 these contracts, and the actual contracts,
 19 themselves, that due to a scrivener's error, did not
 20 contemplate the extension of these contracts due to
 21 timing.

22 We went to the Procurement Regulators.

23 They signed off on the extension of these contracts
 24 for the one-year term. So I'm asking for two

MARZULLO REPORTING AGENCY (312) 321-9365

55

1 things, confirmation of the extension of all of
 2 these contracts for a one-year term, they expire
 3 later this month; and at the same time given the
 4 request by IEPA, we engaged in, and this was
 5 discussed with the Board over the past couple of
 6 months, we engaged in a very robust and very
 7 expedited selection and solicitation, and selection
 8 process from among these underwriters that were
 9 already under contract.

10 And, indeed, as we sit here today, are
 11 currently under contract with the Authority, and I
 12 have passed out to the Board this one pager.

13 The work of the Senior Members of the
 14 Authority team, who I will not name in open session,
 15 one Senior Member of IEPA, and then the procurement
 16 lead, Christy Renaldi from IEPA, did an
 17 extraordinary amount of work in conjunction with the
 18 financial advisor.

19 I am pleased to share the results of their
 20 work. For the senior managers, and the solicitation

Page 47

21 document provided for one or more, I will ask the
 22 Board to approve Merrill Lynch, Pierce, Fenner and
 23 Smith, Incorporated, sometimes referred to as Bank
 24 of America Merrill Lynch, to be senior manager and

MARZULLO REPORTING AGENCY (312) 321-9365

56

1 sole book runner for the upcoming issuance.

2 Citigroup Global Markets as co-senior, as
 3 that we believe the size of this transaction will
 4 support a co-seniors. And for co-managers, and
 5 there were six respondents, we are recommending five
 6 co-managers. I will read them in alphabetical, not
 7 their evaluation criteria order.

8 Jefferies & Company, Loop Capital Markets,
 9 Piper Jaffray, Samuel A. Ramirez & Company, and
 10 Siebert Bradford Shank as co-managers. Again, this
 11 was a robust process.

12 I want to express my deep gratitude to the
 13 evaluators. This was a complicated, complex,
 14 highly-regulated task. I'm grateful for their time
 15 and attention, especially since they had a wide
 16 array of other time-sensitive duties.

17 I will take any questions on the
 18 underwriters. Okay.

19 HORNE: Chris, when we come to a vote on that,
 20 I want to recuse myself from that. My daughter
 21 works for, summer job, but she does work for one of
 22 those. So if we could just have that vote
 23 separated.

24 MEISTER: General Counsel Weber, what would you
 MARZULLO REPORTING AGENCY (312) 321-9365

Page 48

1 suggest?

2 WEBER: My guess is since there's been no
3 discussion, I would suggest you leave the room at
4 the moment.

5 HORNE: Sure. It was just put in front of me
6 about a minute ago.

7 WEBER: Sure.

8 HORNE: I didn't want to vote on it.

9 MEISTER: Yes.

10 BRONNER: Thank you. No else leave.

11 MEISTER: We still have Mr. Goetz on the phone.
12 Mr. Goetz?

13 GOETZ: Yeah, I'm still here.

14 MEISTER: Okay.

15 BRONNER: You still have his number.

16 MEISTER: All right. Good.

17 WEBER: I would have him stay out for any
18 further discussion of Item 12, but you may want to
19 have him come back in for votes on --

20 BRONNER: No. 5, for 2, 8 and then --

21 WEBER: 2 and 8 and separate out No. 12.

22 BRONNER: Fine.

23 MEISTER: Okay. So Procurement Item No. 3,
24 State Revolving Bond Counsel, authority counsel,
MARZULLO REPORTING AGENCY (312) 321-9365

1 underwriter's counsel, trustee-related engagement, I
2 may have to rely on General Counsel Elizabeth Weber

3 to -- on some of these points.

4 But we did pass a prior resolution to go
5 forward with this. Again, at the request of -- at
6 the request of IEPA, we -- again highly-regulated
7 process, we solicited proposals from a pool of 35
8 law firms for bond counsel. Again, a robust
9 process.

10 Katten Muchin was selected. I will note,
11 for the record, that General Counsel Weber and
12 Deputy General Counsel Denise Burn, Denise, raise
13 your hand since you're a new edition, formerly
14 worked at Katten. So we took great efforts to wall
15 them off from this process.

16 Again, my thanks to the evaluators. You
17 have my gratitude. Given the time-sensitive nature
18 of this, I had conversations with Audi t and
19 Procurement Chair Bronner and Chairman Funderburg.

20 I engaged Katten Muchin so that they could
21 begin work, given our tight timeline, and so I ask
22 for a confirmation of that selection. Again, a
23 robust and regulated and very detailed process.

24 Given our situation with our two lawyers
MARZULLO REPORTING AGENCY (312) 321-9365

1 on staff, I did again make the decision to engage
2 Schi ff Hardin, Bruce Weisenthal, who is a trusted
3 member of our pool of issuer's counsel.

4 He's the Authority's issuer's counsel on
5 this, pursuant to the terms of his existing
6 contract. I would ask for confirmation of that.

7 And then, Ms. Weber, I think I may be

8 missing some nuances here in the memo on
9 underwriter's counsel, trustee, rating agencies, and
10 other professionals that we need authority for.

11 WEBER: Right. I think we are authorizing to
12 go forward -- in the resolution authorizing to go
13 forward to procure the services of those entities in
14 the future.

15 MEISTER: Yes. And, in fact, the rating
16 agencies, the procurement methodology, again,
17 highly-regulated process, those may well end up
18 being sole economic sources.

19 So I ask -- I'll take any questions on the
20 counsel and the related engagements. Any question
21 questions?

22 BRONNER: No questions.

23 MEISTER: Okay. Item No. 4, again, as the
24 Authority, particularly the newer Members are
MARZULLO REPORTING AGENCY (312) 321-9365

60

1 getting a sense for the Authority and other State
2 actors in the State, procurement is a
3 highly-regulated, detailed, resource-intensive
4 process.

5 We provide the Members of the Authority --
6 we recognize that you are volunteer Members, and
7 that while the vast majority of what we do is
8 conduit debt, which by its nature has little
9 financial, or should have little financial exposure
10 to the Authority's Board Members, we recognize that
11 you are volunteers providing service to the people

Page 51

12 of the State of Illinois, and that you all have
13 private reputations and professional reputations and
14 private and personal assets.

15 So we have taken pains over the last few
16 years to be aggressive, and this was the sense of
17 last -- of the last Chairman and the last Board to
18 be aggressive on obtaining director's and officer's
19 liability insurance, as well as additional insurance
20 for the Authority and its senior management team or
21 the Authority as a whole. Again, a regulated
22 process.

23 Mesrow, our current insurance brokerage,
24 also was competitively procured for a State master
MARZULLO REPORTING AGENCY (312) 321-9365

9

61

1 contract; however, working with the State
2 Procurement Regulator, the scope of that contract
3 did not fully contemplate what we needed to do with
4 them.

5 Simultaneously, we had previously
6 competitively procured for an insurance broker. It
7 was Mesrow, although that contract has since
8 expired. Pursuant to the Procurement Regulations,
9 we went to the Regulators.

10 We explained this process, which sometimes
11 results in an open hearing for stakeholders. Again,
12 insurance brokerage is a competitive business. This
13 was published.

14 There were no stakeholders that came
15 forward, and the Chief Procurement Officer approved
16 us moving forward with an insurance contract with
Page 52

17 Mesirov. Again, we've had very good service.
 18 I think next month we will provide the
 19 Board with a representative of Mesirov to go over
 20 all of the coverages, all of the excess coverages,
 21 but I'm asking for confirmation by the Authority
 22 to -- for the approval of this contract that has
 23 already been approved by the various Procurement
 24 Regulators, and which was discussed in some detail

MARZULLO REPORTING AGENCY (312) 321-9365

62

1 in Chair Bronner's Committee meeting on Tuesday.
 2 Interestingly enough, because procurement
 3 is never simple, and there's always another shoe to
 4 drop, yesterday morning it was announced that
 5 Mesirov is selling its insurance brokerage business
 6 to a company named Alliant.

7 And I spoke with our Mesirov person, and
 8 he assured me that the same people would remain in
 9 place, and this has happened from time to time.
 10 Typically what happens is that we take news of
 11 things like this, and we go to the Procurement
 12 Regulators and we explain the situation, and we're
 13 allowed to change the State public contract
 14 accordingly.

15 At the time that this went to print, the
 16 legal departments of Alliant and Mesirov were still
 17 reviewing the public -- the official public
 18 statement; however, it was still reported widely in
 19 Crain's and the Chicago Tribune. So sharing that
 20 piece of news, again, I will take any questions on

Page 53

21 this.
 22 BRONNER: Hearing none, Mr. Assistant

 13 JURACEK: Second.
 14 BRONNER: Board Member Poole and seconded by
 15 Board Member Juracek.
 16 FLETCHER: On the motion and the second,
 17 provided that the record reflects that Member Horne
 18 has recused himself by exiting the room, I will call
 19 the roll.

Mr. Anderberg?

ANDERBERG: Yes.

FLETCHER: Ms. Bronner?

10 GOETZ: And I need to recuse myself. Do I need
11 to say why I need to recuse myself again?

12 WEBER: Yes, please.

13 MEISTER: Yes, please.

14 GOETZ: I'm recusing myself on item No. 5,
15 Presence Hospital, because my son works for the firm
16 that is their financial consultant. And do I also
17 need to explain why I'm on the phone rather than not
18 there in person?

19 MEISTER: Yes, that would be helpful.

20 GOETZ: Yes, I have a business conflict at noon
21 today; and this afternoon, I've got a board meeting
22 of the Illinois Housing Council, which I currently
23 chair.

24 MEISTER: And which I understand Mr. Goetz is

3 MEISTER: Which is Housing Development?

4 GOETZ: Yes, Housing Development, yes.

5 FLETCHER: And, therefore, employment purposes?

6 MEISTER: And, therefore, employment purposes.

7 GOETZ: Yes. Alright?

8 CHAIRMAN FUNDERBURG: Alright.

9 GOETZ: Anything else from me, Chris?

10 MEISTER: Thank you very much.

11 CHAIRMAN FUNDERBURG: Yeah, thank you.

12 GOETZ: Okay, thank you. Hopefully I'll see
13 you guys in August. Thank you.

14 BRONNER: Bye.

15 GOETZ: Bye.

16 FLETCHER: So let the record reflect that

17 Chairman Funderburg has returned to the room; and
18 likewise, Member Goetz has recused himself in
19 deliberations by terminating his participation by
20 audio conference.

21 BRONNER: Welcome back.

22 CHAIRMAN FUNDERBURG: Thank you. Thank you.

23 So, Pam, please.

24 LENANE: Presence Healthcare, Health Network,
MARZULLO REPORTING AGENCY (312) 321-9365

68

1 is requesting a Final Bond Resolution to approve a
2 series of tax-exempt and taxable bonds in an amount
3 not to exceed \$1.2 billion to refund all of their
4 existing bonds.

5 Now that the transaction has been sized,
6 it will be \$970,000,000. Presence is the largest
7 Catholic health system in Illinois, as well as the
8 largest provider of Medicaid and behavioral
9 healthcare services.

10 Presence's ratings were issued this week,
11 but I'm going to let Presence CEO, Mike Englehart,
12 who is here patiently waiting, to tell you about
13 those results.

14 The bonds will be issued either as fixed
15 or variable-rate debt. The rate will be determined
16 at pricing. The bonds will be underwritten by JP

Page 58

17 Morgan Securities, and the net present value of the
18 savings to Presence by this refunding is
19 \$50,000,000.

20 CHAIRMAN FUNDERBURG: That's great. Thank you.

21 LENANE: Mike Englehart, CFO.

22 MEISTER: CEO.

23 ENGLEHART: I'm not smart enough to be the CFO.
24 Thank you very much for a few minutes of your time.

MARZULLO REPORTING AGENCY (312) 321-9365

69

1 First, we would like to say a special
2 thank you to Chris Meister and Pam Lenane, who have
3 been outstanding to partner through a short period
4 of time.

5 We were here at the very end of May
6 requesting approval to move forward on a note. That
7 note marked Chapter 1 of a two-step process. In
8 coordination with JP Morgan and with Kaufman Hall,
9 we are now ready to go out, as Pam articulated, to
10 restructure our entire debt.

11 We have instituted a fix, build and grow
12 strategy. This is a key component of it. The
13 restructuring of the \$970,000,000 has been
14 thoughtfully considered.

15 The refinancing will dramatically reduce
16 any event risk for the system. The refund, as Pam
17 articulated, has a net present value of \$50,000,000
18 which is profound for our health system.

19 The total restructuring will change our
20 actual debt from an annual payment of approximately

Page 59

21 \$92,000,000 to what we're forecasting to be about
22 \$73,000,000. So an ongoing steady improvement for
23 us.

24 It will also change the master trust

MARZULLO REPORTING AGENCY (312) 321-9365

9

70

1 indenture. You have in your booklet, the rating
2 agencies. All three have placed us at BBB, with a
3 negative outlook.

4 What I would share with you is that the
5 system has moved swiftly in a short period of time
6 to stabilize, and we feel that the rating reflects
7 the execution that has occurred through the first
8 half of this year.

9 We are pleased, and we also feel that all
10 three of the rating agencies articulate the key
11 steps that we need to take, in order to move up on
12 the ladder as far as grades are concerned, which
13 we're all about. This is a key component of it.

14 So we are excited to let you know that we
15 have printed our POS yesterday, and that we look to
16 have pricing on July 26th, with a close date of
17 August 16th.

18 Our May financials are also provided to
19 you, and we are ahead of plan. And we look to be
20 able to produce the June financials shortly, and we
21 continue to be optimistic.

22 We would be happy to answer any questions
23 you might have at this time.

24 CHAIRMAN FUNDERBURG: Thank you very much.

FINANCING SUMMARY

Security/ Ratings:	<p>The Bonds will be sold based on the direct, underlying rating of DePaul University. DePaul long-term debt is currently rated 'A2'/'A-'/'A' long-term by Moody's/S&P/Fitch as assigned to the University's Series 2016 Bonds and affirmed on the University's existing debt in March 2016. (Each of the rating agencies also assigned a Stable outlook in March 2016.)</p> <p>DePaul has applied for ratings from Moody's/S&P/Fitch on the Series 2016A Bonds and expects ratings to be awarded in mid-August (currently anticipated during the week of 8/15/2016 as of 7/28/2016).</p>
Structure:	<p>The Bonds will be underwritten by Goldman Sachs & Co. (Senior Manager) and sold on the basis of the University's long-term debt ratings.</p>
Interest Rate:	<p>Estimated all-in interest rates of between 3.25% and 3.75% based on current market rates and anticipated maturities.</p>
Maturity:	<p>Although the Bond Resolution will enable the Series 2016A Bonds to mature in up to 40 years, the financing team presently contemplates (as of 8/1/2016) that the Bonds will maintain the existing 10/1/2040 final maturity date currently on the Series 2011A Bonds (which will be refunded with the Series 2016A Bonds).</p>
Anticipated Closing Date:	<p>September 2016</p>
Rationale:	<p>This advance refunding will be undertaken to reduce interest expense and reduce payments (although there may be a slight acceleration of principal repayments compared to the Series 2011A Bonds).</p>

BUSINESS SUMMARY

Background: On December 1, 2015 Presbyterian Homes, a newly formed Illinois not-for-profit corporation formerly named PH Transition NFP (the “**Corporation**”) became the sole member directly or indirectly of six subsidiaries (the “**System**”), which together provide residential and health care programs for older adults in Illinois. The System is headquartered in Evanston, Illinois, a suburb north of Chicago, and currently serves approximately 1,600 older adults through its five facilities and various programs in the Chicago Metropolitan Area. Presbyterian Homes traces its history back to 1904 when the Chicago Presbytery created a senior living community—one of the oldest in Illinois. The System has expanded significantly since 1922 to the present day.

The Borrower for this financing is listed below.

The Moorings of Arlington Heights, LLC

The Borrower owns and operates the Project, which is a Life Plan Community located in Arlington Heights, Illinois, a northwest suburb of Chicago, occupies a 45-acre parcel of land at 811 E. Central Rd. just east of Northwest Community Hospital. The Moorings of Arlington Heights consists of independent living, assisted living, memory care and short- and long-term nursing care.

Independent living consists of 273 apartments and villas, ranging in size from 530 square feet to more than 2,000 square feet. Additionally, some villas have full basements, two car garages and patios.

Common area amenities include formal and casual dining rooms, living rooms, a lecture hall, fitness and therapeutic center with exercise equipment, swimming pool and whirlpool, a library, computer and business center, gift shop and beauty salon. Services include flexible dining options, housekeeping and complete maintenance services, transportation as well as planned social and educational activities and programs. The property features two small lakes, winding walking paths, a large community garden and a historic round barn.

Assisted living services and amenities are similar to, but separate from, independent living because proximity to amenities is important to frail assisted living residents.

The balance of the continuum of care includes 60 skilled, Medicare licensed, nursing care beds for those who need skilled nursing care or short-term rehabilitation services, 39 intermediate and memory care beds for those needing less intense nursing care or memory support for cognitive impairments like Alzheimer’s disease. Nursing care beds not occupied by contractual residents are marketed to the outside community.

State of Illinois Clean Water Initiative Revolving Fund Revenue Bonds, Series 2016

REQUEST	<p>Purpose: Proceeds of the Bonds will be used to (i) fund loans (including certain amounts of the State Match Portion as defined below) made by the Illinois Environmental Protection Agency ("IEPA") to units of local government in the State of Illinois ("State") to finance eligible wastewater treatment and sanitary sewerage facilities and drinking water facilities and (ii) to pay costs of issuance.</p> <p>Program: IFA State of Illinois Clean Water Initiative Revolving Fund Revenue Bonds</p> <p>Volume Cap: <u>None required (all underlying project borrowers will be Illinois units of local government)</u></p> <p>Extraordinary Conditions: None</p>
BOARD ACTION	<p>Authorizing Resolution (i.e., Final Bond Resolution) <i>One-time consideration.</i></p> <p>The accompanying Authorizing Resolution will also authorize execution of a Second Amendment to Memorandum of Agreement between the IFA and IEPA ("Second Amendment to MOA"). IFA and IEPA entered into the existing Memorandum of Agreement dated as of November 1, 2013 as amended by the First Amendment to Memorandum of Agreement dated as of June 30, 2014 (the "Memorandum of Agreement") to specify IFA and IEPA's respective roles including, but not limited to, originating and managing the loan program (IEPA), reporting on the performance of the State Revolving Fund ("SRF") Program loan portfolio (IEPA) to external parties, issuance of the Bonds (IFA), and specifying collaboration and roles to enable IFA to comply with material event and other required reporting in connection with a Continuing Disclosure Undertaking ("CDU"). The Second Amendment further clarifies certain of these roles and responsibilities.</p>
MATERIAL CHANGES	<p>None. This is the first time this matter has been presented to the IFA Board of Directors. No prior voting record.</p>
DESCRIPTION	<ul style="list-style-type: none"> ● Project Locations: Statewide ● Pursuant to the Federal Clean Water Act, IEPA established a clean water state revolving fund as part of its Water Pollution Control Loan Program (the "Clean Water Program") and, pursuant to the Federal Drinking Water Act, has established a safe drinking water state revolving fund as part of its Public Water Supply Loan Program (the "Drinking Water Program"). ● IFA is issuing the State of Illinois Revolving Fund Revenue Bonds, Series 2016 (the "Bonds") on behalf of the IEPA (See Proposed Structure below). ● The Bonds will be structured to enable IEPA to leverage existing SRF Program assets, thereby enabling additional loan financing to Illinois local governmental units (e.g., municipalities and public sanitary districts) to finance capital improvements designed to improve both wastewater and drinking water quality to assure compliance with USEPA requirements. ● A portion of the proceeds from the Bonds will be used to fund the State match required to obtain United States Environmental Protection Agency ("USEPA") grants (the "State Match Portion"). Based on the proposed \$45.38 million of Bond proceeds anticipated to fund the State Match Portion, the USEPA will initially provide \$131.79 million in anticipated aggregate funding ("Federal Receipts") with an additional \$95.2 million to be received within the next 24 months. As a result, the combined funds initially totaling \$177.2 million will be available to be loaned by IEPA immediately to various local government capital projects throughout Illinois, designed to improve drinking water and wastewater quality (and, prospectively, other projects authorized by the USEPA). ● IEPA currently lends funds to municipalities according to administrative rules that set the fixed interest rate at a rate equal to 50% of the <i>The Bond Buyer's</i> 20-Bond General Obligation Index for the preceding State fiscal year and federal fiscal year for the Clean Water and Drinking Water Programs, respectively. The current rates are 1.75% for the Clean Water and 1.86% for the Drinking Water Programs.
CREDIT INDICATORS	<ul style="list-style-type: none"> ● The Bonds are expected to be rated 'AAA' by both Standard and Poor's and Fitch Ratings. In general, payments from the pledged loans will be used to credit enhance the Bonds (to potentially service debt payments associated with the Bonds). ● The IDFA Series 2002, IFA Series 2004 and IFA Series 2013 State Revolving Fund Bonds (the "Prior Bonds") were rated 'AAA' by the applicable rating agencies.
PROPOSED STRUCTURE	<ul style="list-style-type: none"> ● The Bonds to be issued are the second series of bonds issued under and secured by a Master Trust Agreement dated as of November 1, 2013 (collectively, with all supplements and amendments thereto, including a Second Supplemental Master Trust Agreement providing for the issuance of the Bonds, the "Master Trust Agreement"). BOARD ACTION

Authorizing Resolution (Final Bond Resolution)

Bond proceeds will leverage the existing Illinois Environmental Protection Agency (“IEPA”) loan portfolio and be used by IEPA to fund loans under its Clean Water and Drinking Water Revolving Loan Programs, including the State Match Portion that will enable IEPA to receive Federal Receipts from the USEPA.

No extraordinary conditions

Notes: The current outstanding principal amount of the Illinois Finance Authority Series 2013 Bonds is \$87.415 million.

The combined bond funded State Match Portion of approximately \$45.38 million for the Clean Water Program for Federal fiscal years 2016 and 2017 and Drinking Water Program for Federal fiscal years 2015, 2015 and 2017 will result in Federal Receipts from the USEPA under separate Capitalization Grant Agreements (the “Capitalization Agreements”) in the initial anticipated aggregate amount of \$131.79 million.

An additional \$95.2 million in Federal Receipts will be received within the next 24 months. The combined State Match Portion and associated Federal Receipts will be deposited in IEPA accounts and enable IEPA to fund new loans under its Clean Water and Drinking Water Loan Programs.

**COMMENTS ON TERMS OF IEPA’S LOANS TO LOCAL GOVERNMENT BORROWERS
(ORIGINATED FROM IFA SERIES 2016 BOND PROCEEDS):**

Origination Requirements of IFA Series SRF 2016 Bond Proceeds under federal law (due to undesignated pool structure):

The IFA State Revolving Fund Revenues Bonds are being issued to enable IEPA to originate loans to (an undesignated) pool of local government borrowers (i.e., as a “pooled financing”).

As a pooled financing, the Series 2016 Bonds will be subject to the federal Tax Increase Prevention and Reconciliation Act (“TIPRA”) of 2005, which imposes additional requirements and conditions in order for the interest on the Series 2016 Bonds to be and to remain exempt from federal income taxation.

TIPRA specifies that unless certain minimum percentages of the Bond proceeds are originated (i.e., by IEPA) as loans for eligible projects within certain prescribed time periods (i.e., there are minimum origination requirements after years 1 and 3 detailed below), the IFA Series 2016 Bonds would be subject to mandatory redemption.

In particular, TIPRA requires:

1. The issuer (i.e., IFA based on reliance on a loan demand assessment provided by the IEPA) reasonably expects (a) within the one-year period beginning on the date of issue that at least 30 percent of the net proceeds of the issue will be originated as loans by IEPA, and (b) within the three-year period beginning on the date of issue, that at least 95% of the net proceeds will be originated as loans by IEPA.
2. The issuer (i.e., IFA) shall redeem outstanding bonds to the extent required if the spend-down requirements under TIPRA are not attained.

IEPA Deeply Subsidizes the Interest Rate to Underlying Borrowers to Minimize Risk of Redemption due to a violation of TIPRA:

IEPA subsidizes the interest rate provided to each underlying borrower to an amount equal to 50% of *The Bond Buyer’s* 20-Bond General Obligation Index for the preceding State fiscal year and federal fiscal year for the Clean Water and Drinking Water Programs, respectively. The current rates are 1.75% for the Clean Water Program and 1.86% for the Drinking Water Program. IEPA’s procedures for determining this subsidized rate (which is reset annually are established pursuant to administrative rules (i.e., Title 35 Part 65 for the Clean Water Program and Title 35 Part 662 for the Drinking Water Program). Prior to TIPRA, the IDFA Series 2002, IFA Series 2004 and IFA Series 2013 State Revolving Fund Revenue Bonds were subject to existing IRS spend-down requirements given the undesignated pooled financing structure. Significantly, the drawdown of both Prior Bond issues would have satisfied the TIPRA origination requirements now in effect.

The deep, below-market interest rate offered by IEPA under the SRF Programs:

- helps drive SRF Program demand, thereby helping assure compliance with the applicable TIPRA spend-down requirements for the bond proceeds (as noted in the preceding section), and
- has been sufficient to induce several investment grade local government borrowers to participate in the SRF Programs (examples include: Chicago, DeKalb, Evanston, Hanover Park, Libertyville, Mattoon, Skokie, Springfield, St. Charles, Sterling, and Wilmette).

**PROJECT DESCRIPTION –
SUMMARY OF PLAN OF FINANCE AND AUTHORIZING RESOLUTION**

The proceeds of the Bonds shall be used to (i) fund loans made by IEPA to units of local government to finance eligible (a) wastewater treatment and sanitary sewerage facilities and (b) drinking water facilities pursuant to the funding of the State Match Portion for Federal fiscal years 2015, 2016, and 2017 and (ii) pay for costs associated with the issuance of the Bonds.

The Authorizing Resolution will also authorize the execution of (i) the Second Amendment to the MOA between the Authority and IEPA dated November 1, 2013 as amended by the First Amendment to the MOA dated June 30, 2014 and related transaction documents including, (i) the Second Supplemental Master Trust Agreement, (ii) the Bond Purchase Agreement, (iv) the Preliminary Official Statement, (v) the Continuing Disclosure Undertaking, and (vi) the Bonds.

A portion of the Bond proceeds used to fund new loans shall be further apportioned as (i) a State Match Clean Water Portion; and (ii) a State Match Drinking Water Portion.

The State Match Portion of the Bond proceeds along with other available funds will meet the State match requirement of approximately \$45.38 million for (i) the Clean Water Program for Federal fiscal years 2016 and 2017 and (ii) the Drinking Water Program for Federal fiscal years 2015, 2016 and 2017, which will enable Federal Receipts to be received for the Clean Water Program and Drinking Water Program under Capitalization Grant Agreements (the “Capitalization Agreements”) in the initial anticipated aggregate amount of \$131.79 million. An additional \$95.2 million in Federal Receipts will be received within the next 24 months.

This Summary of the Plan of Finance is summarized and preliminary. The final, comprehensive version of the Plan of Finance will be contained in the Official Statement for the Bonds when posted.

BACKGROUND INFORMATION ON IEPA’S STATE REVOLVING FUND (“SRF”) PROGRAMS

Federal Statutory
Framework:

1. *For Clean Water (i.e., sewage and wastewater treatment):* The federal Clean Water Act provides for the establishment of state revolving fund programs, the funds of which are to be used to provide financial assistance to various entities in connection with the construction of systems for the storage, treatment, recycling, and reclamation of sewage and certain other qualified water pollution control projects.
2. *For Safe Drinking Water (i.e., drinking water supply):* The federal Safe Drinking Water Act Amendments of 1996 amended existing Safe Drinking Water Act requirements to provide for the establishment of state revolving fund loan programs, the funds of which are used to provide financial assistance to various community water systems in connection with the construction of qualified drinking water projects.

Each state created a separate state revolving loan fund to receive federal capitalization grants and receipts (from USEPA), and for each, states are required to provide state matching funds equal to at least twenty percent (20%) of each federal (USEPA) capitalization grant or receipt under the Clean Water Act and Drinking Water Act.

IEPA entered into separate Capitalization Grants Agreements with the USEPA to administer the Clean Water State Revolving Fund (“CWSRF”) and Drinking Water State Revolving Fund (“DWSRF”).

The federal Clean Water Act and Drinking Water Act currently authorize the federal government (through USEPA) to continue to provide annual capitalization funding (subject to the minimum required state matching requirement) for both Clean Water State Revolving Funds (“CWSRF”) and Drinking Water State Revolving Funds (“DWSRF”).

Although USEPA annual capitalization grant funding for both state revolving fund programs have a long history (since 1988 for Clean Water projects and 1996 for Drinking Water projects), there can be no assurance that these programs will continue to be funded at current levels.

USEPA has Encouraged
States to Undertake
Bond Issues to Leverage
Existing Grant Funded
Assets:

Since the late 1990's, the USEPA has encouraged states to further leverage existing CWSRF and DWSRF program assets by using existing cash flows from each state's respective loan portfolios (and principal and interest payments thereon, to the extent permitted by USEPA) to securitize bond issues, the proceeds of which would be used by the states (e.g., through state-level EPA's) to originate additional loans to local governments under the SRF Program.

These leveraged bond issues enable state-level EPAs to increase loan volume dedicated to Clean Water and Drinking Water projects, thereby enabling funding beyond levels funded directly by USEPA through its annual capitalization funding (and required State Matching Funds) for the Clean Water and Drinking Water Programs.

Consistent with this policy objective, the Illinois EPA successfully completed Leveraged State Revolving Bond issues through the Illinois Development Finance Authority in 2002 (\$150.0 million) and through IFA in 2004 (\$130.0 million) and in 2013 (\$141.7 million), (collectively, the "Prior Bonds"). Proceeds of the Prior Bonds enabled IEPA to originate additional loans (by pledging payments from a portion of its existing loan portfolio to secure payments on the Prior Bonds).

IEPA's Management of the
Clean Water & Drinking
Water SRF Programs:

Pursuant to authority granted in the federal Clean Water Act, the State (through the IEPA) created the Clean Water Program in 1988 to implement the provisions of Title VI of the Clean Water Act. Similarly, the State created the Drinking Water Program in 1996 to implement the Safe Drinking Water Act Amendments of 1996.

Under both the Clean Water and Drinking Water Programs, IEPA has utilized both federal capitalization receipts and the required twenty percent (20%) state match for the purpose of making low interest loans for Clean Water and Drinking Water projects to units of local government to finance the construction of wastewater treatment and sanitary sewerage facility projects (CWSRF Projects) and drinking water supply projects (DWSRF Projects), respectively.

IEPA annually prepares an Intended Use Plan to USEPA, which is presented in public hearings. These Intended Use Plans identify projects eligible for assistance under the Clean Water Program (i.e., wastewater treatment projects) and the Drinking Water Program (i.e., drinking water projects).

IEPA SRF Programs –
Loan Originations to Date:

IEPA has closed and funded 827 Clean Water Program Loans to Clean Water participants totaling approximately \$4.269 billion since inception in 1988 to June 30, 2016, of which approximately \$2.397 billion are outstanding. No payment defaults have occurred with respect to any of the Clean Water State Revolving Fund Loans.

IEPA has closed and funded 536 Drinking Water Program Loans to Drinking Water participants totaling approximately \$1.174 billion since inception in 1996, of which approximately \$755 million are outstanding. No payment defaults have occurred with respect to any of the Drinking Water Program State Revolving Fund Loans.

IEPA is Responsible for
Originating, Reviewing
Applications, Closing,
Servicing, and Reporting
on all Loans:

IEPA is responsible for the overall technical and financial management of the SRF Programs, including ongoing financial reporting on the underlying Loan Program Portfolios to the USEPA and other external parties, review and approval of planning documents, plans and specifications, legal authority, dedicated sources of revenue, fund management, and disbursement requests.

Memorandum of Agreement
between IEPA and IFA:

The accompanying Authorizing Resolution will also authorize execution of a Second Amendment to Memorandum of Agreement between the IFA and IEPA (“Second Amendment to MOA”). IFA and IEPA entered into the existing Memorandum of Agreement dated as of November 1, 2013 as amended by the First Amendment to Memorandum of Agreement dated as of June 30, 2014 (the “Memorandum of Agreement”) to specify IFA and IEPA’s respective roles including, but not limited to, originating and managing the loan program (IEPA), reporting on the performance of the SRF loan portfolio (IEPA) to external parties, issuance of the Bonds (IFA), and specifying collaboration and roles to enable IFA to comply with material event and other required reporting in connection with a Continuing Disclosure Undertaking (“CDU”). The Second Amendment further clarifies certain of these roles and responsibilities.

Pursuant to the MOA and Master Trust Agreement, IEPA will continue to administer, structure, and monitor the SRF Programs. IEPA will have primary responsibility for filing financial reports as required by USEPA, and for providing external financial reports on its loan portfolio as required by the underlying bond documents and to help ensure prompt and comprehensive reporting to assure compliance with continuing disclosure requirements on the Bonds and for maintenance of ratings on the Bonds. IEPA’s responsibilities will include (but not be limited to) promptly notifying the Authority to request any changes in pledged loans, promptly notifying the Authority regarding any underlying Borrower that exceeds the 20% loan concentration threshold requiring EMMA filings under the Continuing Disclosure Undertaking, advising IFA regarding the origination of loans from Bond Proceeds relating to TIPRA spend-down requirements, and for any other consent or notice specified under the Master Trust Agreement, or any related documents necessary to comply with regulatory requirements in effect.

Effective with execution of the MOA, the Authority assumed certain responsibilities (including, for example, procurement of certain professionals and advisors and continuing disclosure on the Bonds based on reports and filings provided by IEPA) and other information required under the Continuing Disclosure Undertaking.

The Authority, as Issuer, will continue to undertake such actions as necessary to facilitate issuance of Bonds on behalf of IEPA as with issuance of the Prior Bonds.

Memorandum

To: IFA Board of Directors

From: Patrick Evans

Date: August 11, 2016

Re: Resolution to Consent to Deferral of Scheduled Payment and Waiver of Event of Default in connection with IFA Agri-Debt Restructuring Guarantee Loan on behalf of Mark D. Donoho and Karen Donoho, each individually
IFA 2009 File Number: A-DR-GT-8239

Background on the Subject Loan:

The **Illinois Finance Authority** (“**IFA**” or the “**Authority**”) closed on an IFA Agri-Debt Restructuring Guarantee Loan on June 11, 2009 in favor of **Peoples National Bank, N.A.** (Mt. Vernon, Illinois) (the “**Bank**”) which enabled **Mark Donoho and Karen Donoho** (collectively, the “**Borrowers**”) to refinance \$487,000 of combined existing real estate debt and equipment debt (the “**IFA Guaranteed Loan**”).

The original loan balance was \$487,000 and has been paid down to \$425,472 (current outstanding balance as of June 11, 2016).

The Authority’s 85% guarantee exposure was \$413,950 at the time of closing and has been reduced to approximately \$361,651 (current outstanding balance as of June 11, 2016).

Background on the Agri-Debt Restructuring Guarantee Program:

Under the Agri-Debt Restructuring Program, the Bank absorbs the initial 15% of any loss (while the Authority absorbs the remaining credit loss).

Payments on the IFA Guarantees are made from the Illinois Agricultural Loan Guarantee Fund, held by the State Treasurer.

Under the IFA Agri-Debt Restructuring Guarantee, in the event of default by a borrower, (1) the lender (bank) *shall* be entitled to, and (2) the Authority *shall* direct payment on, the State Guarantee after 90 days of delinquency.

After payment on the State Guarantee, the lender has 14 months to sell the collateral securing the IFA Guaranteed Loan.

Bank and Borrower’s Request:

On July 14, 2016, **Peoples National Bank, N.A. (Mt. Vernon, Illinois)** (the “**Bank**”) on behalf of **Mark D. Donoho and Karen Donoho** (collectively, the “**Borrowers**”) submitted a written request to the **Illinois Finance Authority** (the “**Authority**”) to consent to defer the Borrower’s scheduled June 11, 2016 payment to November 11, 2016 “to better match [the Borrowers’] cash flow”.

- The Bank’s request indicated that this requested change in payment date will only affect the scheduled June 11, 2016 payment.
- There will be no other changes to the existing terms of the 2009 Guaranteed Loan or pledged collateral.
- The 2009 Guaranteed Loan is currently secured by two parcels of land including: (i) a 40-acre parcel of farmland (with improvements including farm buildings and a home) located in Jefferson County, and (ii) a 120-acre parcel of farmland located in Marion County.
- The amount of the June 11, 2016 principal and interest payment is \$36,887.61 (which includes unpaid interest for the period June 11, 2015 to June 11, 2016 of approximately \$23,000).

Impact of Approving Resolution Consenting to Deferral of June 11th Annual Payment to November 11th:

Conditions Under Which a Lender is Entitled to Demand Payment on the IFA Guaranteed Loan: Based on the Authority's statute, in the event of default by the Borrower, the lender shall be entitled to, and the Authority shall direct payment on, the State Guarantee after 90 days of delinquency (which due to the Borrower's past due June 11, 2016 payment would result in an event of default pursuant to the Authority's statute as of September 9, 2016). Accordingly, as of September 9, 2016, the Bank would be entitled to authorize its right to demand payment on the IFA Guarantee and the Authority would then be obligated to pay on the Guarantee within 90 days of delivery of the Bank's written notice of demand.

Key Terms of the Resolution: Approval of the accompanying Resolution would avoid these results by (i) consenting to the Bank's request (on behalf of the Borrowers) to effectuate a payment extension from June 11, 2016 to November 11, 2016 while (ii) also providing a waiver by the Bank of the Borrowers' failure to make the June 11, 2016 payment (which is an Event of Default under the Bank's Promissory Note with the Borrowers) and any other Events of Default under the Promissory Note between the Bank and the Borrowers.

Key Results Achieved by Approving the Resolution: The Resolution would defer (and prospectively avoid) delivery of a Bank payment demand on the State Guarantee while providing extra time for the Bank and Borrower to explore other options (e.g., negotiating a forbearance agreement, refinancing, pursuing selective asset disposition to de-leverage, etc.).

Additional Risk Associated with Approval of the Resolution: In addition to the unpaid principal balance, additional risk associated with approval of this Resolution would be the exposure to cover estimated accrued interest for the Payment Extension Period (i.e., the five-month period from June 11, 2016 to November 11, 2016) of approximately \$9,750.

Collateral Adequacy:

As noted previously, the IFA Guaranteed Loan will continue to benefit from the same First Mortgage security in place since this IFA Guaranteed Loan closed in 2009.

The accompanying IFA Board Summary Report cites the results of appraisal reports prepared on the two properties as of May 25, 2016 by Iuka State Bank (a competitive bank). As detailed further in the accompanying report, due to the reduction in principal balance and appreciation in land value since 2009, the 2016 appraised value of the pledged collateral (even after discounting the reported values) appears more than sufficient to cover the outstanding loan balances (and both the Bank and IFA Guarantee exposure) and the approximately \$9,750 of estimated accrued interest from June 16, 2016 to November 11, 2016.

Recommendation:

I recommend approval of the accompanying Resolution providing for (i) a waiver of the Event of Default which occurred as a result of the Borrowers' failure to make a scheduled payment of principal and interest in the amount of \$36,887.62 to the Bank, and (ii) a payment extension of the scheduled June 11, 2016 payment to November 11, 2016.

The Resolution would defer a prospective Bank payment demand on the State Guarantee (which could occur as soon as September 9, 2016) while providing extra time for the Bank and Borrower to explore other options (e.g., negotiating a forbearance agreement, refinancing, pursuing selective asset disposition to de-leverage, etc.). These results would be beneficial to the Authority, the Bank, and the Borrower.

PROJECT/BUSINESS SUMMARY

Character: Mark Donoho is a full time farmer. His wife Karen is employed as a part-time teacher/instructor at Frontier College in Fairfield. They are in their late 50's. Mark farms approximately 1,740 acres composed of: corn (790 acres), soybeans (691 acres), wheat (82.5 acres), pumpkins (95 acres), and Double Crop acres (82.5 acres). He has 1,527 full share acres.

Due to poor commodity prices and average yields, the Borrowers have suffered cash flow problems.

The Bank, on behalf of the Borrowers, is seeking a deferral of the Borrowers' past-due June 11, 2016 loan payment of \$36,889 to November 11, 2016.

Rationale: The Borrowers' deteriorating cash position (the result of inadequate cash flows from farming operations) has led to the current situation and the request to amend the 2016 payment schedule. The Bank expects the Borrowers to derive sufficient funds from the sale of grains to make the June Payment (i.e., \$36,889 principal and interest payment) on November 11, 2016. The Bank has noted the requested payment deferral is only being requested for the Borrowers' annual calendar 2016 payment – the Bank is not requesting amended terms on any subsequent payment.

Capital: See the Confidential Section for specific details.

Capacity: See the Confidential Section for specific details.

Collateral: This loan is secured by 160 acres of farmland, with improvements (personal residence; machine shed and shed; grain bins; grain leg; and, grain dryer), and, more specifically, composed of a 40 acre parcel (including a personal residence and building improvements) in Jefferson County and a 120 acre parcel (farmland only) in Marion County.

Updated Appraisal Reports dated as of May 25, 2016:

The May 25, 2016 appraisals reported the following values for the two pledged properties securing the IFA Guaranteed Loan:

1. **40 acres (Jefferson County) at \$2,900/acre = \$116,000; plus Improvements**, including: Residence (\$113,760), Machine Shed (\$40,325), 4 Grain Bins (\$53,098), Hopper Bottom (\$3,717) Transfer Shed (\$5,1410, Grain Leg (\$12,500), and Grain Dryer (\$15,480) – **Total Improvements = \$244,000**
Total – 40 Acres of Land + Improvements (Jefferson County) = \$360,000
2. **120 acres at \$3,800/acres (Marion County) = \$456,000**

Total collateral value \$816,000, creating a loan-to-value of 52.2% with Loan-to-IFA exposure of 44.3%.

A more comprehensive assessment of the pledged collateral is presented in the Confidential Section of this report (see pages 9-10).

**Review of
Title Policies
On the Subject
Properties:**

Copies of Mortgages reflect a Jefferson County mortgage (40 acres) filed June 18, 2009 and a Marion County mortgage (120 acres) filed June 25, 2009. Copy of a Title Policy dated June 18, 2009 and June 25, 2009 for \$487,000 identifies Peoples National Bank as the sole lienholder (i.e., the Bank is secured by a First Mortgage on the subject properties).

ILLINOIS FINANCE AUTHORITY

Memorandum

To: IFA Board of Directors

From: Rich Frampton & Brad R. Fletcher

Date: August 11, 2016

Re: Resolution Authorizing and Approving the Execution and Delivery of a First Amendment to the Loan Agreement which Amends Certain Provisions of the Loan Agreement Dated as of March 1, 2004 under which the Illinois Finance Authority Variable Rate Demand Revenue Bonds, Series 2004 (Community Action Partnership of Lake County Project) (the “Bonds”) were Issued and the Proceeds of the Bonds were Lent to Community Action Partnership of Lake County
IFA Series 2004 File Number: N-NP-TE-CD-403 or 11337

Request:

Community Action Partnership of Lake County, an Illinois not-for-profit corporation (the “**Borrower**”) and **U.S. Bank, N.A.** (the “**Trustee**”) are requesting approval of a Resolution to authorize execution and delivery of a First Amendment to the Loan Agreement to amend Exhibit A to the Loan Agreement in connection with the Illinois Finance Authority Variable Rate Demand Revenue Bonds, Series 2004 (Community Action Partnership of Lake County Project) (the “**Series 2004 Bonds**”).

Proceeds of the Series 2004 Bonds were lent to the Borrower to (i) finance the construction of an approximately 31,200 square foot Early Childhood Development Center located at 1200 Glen Flora in Waukegan, Illinois, (ii) acquire equipment and fixtures for use therein, (iii) finance permissible capitalized interest (collectively, the “**Project**”), and pay a portion of the costs of issuance of the Series 2004 Bonds.

Initially, the Early Childhood Development Center was leased by the Borrower to the Lake County Head Start Program as defined in Exhibit A to the Loan Agreement. However, as of May 5, 2016, the Borrower entered into a lease with **Lawndale Educational and Regional Network Charter School**, an Illinois not-for-profit corporation (“**LERN**” or the “**Lessee**”). LERN began utilizing the Early Childhood Development Center as of July 1, 2016. Accordingly, Exhibit A to the Loan Agreement for the Series 2004 Bonds must be amended (thereby enabling the new tenant to also be a “principal user” of the Project).

Impact:

While there will be no impact on the outstanding Series 2004 Bonds, approval of this Resolution will enable the Borrower to properly identify the new Lessee of the facility constructed with proceeds of the Series 2004 Bonds. There will be no administrative fee payable to IFA for this technical amendment.

Background:

All payments relating to the IFA Series 2004 Bonds, initially issued in the aggregate principal amount of \$6,250,000, are current and have been paid as scheduled. The principal amount of the Series 2004 Bonds outstanding as of 7/31/2016 was \$4,950,000. The Series 2004 Bonds are secured by a Letter of Credit from Citibank, N.A. that is otherwise set to expire 7/31/2017.

Community Action Partnership of Lake County also issued its \$3,000,000 Variable Rate Demand Revenue Bonds, Series 2008A and its taxable \$625,000 Variable Rate Demand Revenue Bonds,

Series 2008B through the Illinois Finance Authority in March 2008. All payments are current and have been paid as scheduled. The cumulative outstanding par amount of the Series 2008A and Series 2008B Bonds as of 7/31/2016 was \$3,210,000. Both the Series 2008A and taxable Series 2008B Bonds are secured by Letter of Credit from BMO Harris Bank, N.A. that is otherwise set to expire 3/14/2017.

RESOLUTION AUTHORIZING AND APPROVING THE EXECUTION AND DELIVERY OF A FIRST AMENDMENT TO THE LOAN AGREEMENT WHICH AMENDS CERTAIN PROVISIONS OF THE LOAN AGREEMENT DATED AS OF MARCH 1, 2004 UNDER WHICH THE VARIABLE RATE DEMAND REVENUE BONDS, SERIES 2004 (COMMUNITY ACTION PARTNERSHIP OF LAKE COUNTY PROJECT), OF THE ILLINOIS FINANCE AUTHORITY (THE "BONDS") WERE ISSUED AND THE PROCEEDS OF THE BONDS WERE LENT TO COMMUNITY ACTION PARTNERSHIP OF LAKE COUNTY.

WHEREAS, the **ILLINOIS FINANCE AUTHORITY** (the "Authority") a body politic and corporate duly organized and validly existing under and by virtue of the laws of the State of Illinois (the "State"), including, without limitation the Illinois Finance Authority Act, 20 ILCS 3501/801-1, as supplement and amended (the "Act"), is authorized by the laws of the State, including, without limitation, the Act, to issue its bonds for the purpose set forth in the Act and to permit the expenditure of the proceeds thereof to defray, among other things, the cost of the acquisition and improvement of "industrial projects" as defined in the Act; and

WHEREAS, **COMMUNITY ACTION PARTNERSHIP OF LAKE COUNTY**, an Illinois not-for-profit corporation (the "Borrower"), has requested that the Authority amend the Bonds. The Bonds financed the costs of (i) constructing an approximately 31,000 square foot Early Childhood Development Center located at 1200 Glen Flora in Waukegan, Illinois, (ii) acquiring equipment and fixtures for use therein, (iii) financing permissible capitalized interest, and (iv) issuance of the Bonds; and

WHEREAS, the Bonds were issued under the terms of an Indenture of Trust dated as of March 1, 2004 between the Authority and U.S. Bank National Association, as trustee; and

WHEREAS, a draft of the following document is hereby presented to the Authority at this meeting and attached to this Resolution (the "Authority Document"):

Loan Agreement between the Authority and the Borrower dated as of March 1, 2004 shall be amended by that certain First Amendment to Loan Agreement, substantially in a form approved by the Authority in similar transactions and on file with the

Authority, under which parties agreed to amend the description of the Project, all as more fully described in the Authority Document.

NOW, THEREFORE, BE IT RESOLVED by the Illinois Finance Authority as follows:

Section 1. Findings. Based solely on the representations made by the Borrower, the Authority hereby makes the following finds and determinations with respect to the Borrower, the Authority Document to be executed by the Authority and the facilities financed with the proceeds of the Bonds:

(a) The Borrower is an Illinois not for profit corporation organized under the laws of the State of Illinois and is qualified to do business in the State of Illinois;

(b) The Borrower has previously properly filed with the Authority its request for assistance in providing funds to the Borrower which the Borrower will use for the purposes aforesaid;

(c) The Project as amended does not include any property used or to be used for sectarian instruction or as a place of religious worship nor any facility which is used or to be used primarily in connection with any part of the program of a school or department of divinity for any religious denomination or the training of ministers, priests, rabbis or other professional persons in the field of religion; and

(d) The Bonds were issued for a valid purpose under and in accordance with the provisions of the Act.

Section 2. Bonds. The Bonds and the interest thereon shall continue to be a limited obligation of the Authority, payable solely out of the revenue and receipts derived by the Authority pursuant thereto as described in the Loan Agreement, as amended. The Bonds shall not in any respect be a general obligation of the Authority, nor shall they be payable in any manner from funds raised by taxation. No holder of the Bonds has the right to compel the exercise of the taxing power of the State or any political subdivision thereof to pay the Bonds, the interest or premium, if any, thereon. The Bonds do not constitute in any respect an indebtedness of the Authority or a loan of credit thereof within the meaning of any constitutional or statutory provision.

Section 3. Authority Document. The Authority does hereby authorize and approve the execution by its Executive Director, or any person authorized by a Resolution of the Authority (each an "Authorized Officer") and the delivery and use of the Authority Document. The Authority Document shall be substantially in a form previously approved by the Authority in similar transactions, which form is on file with the Authority, or with such changes therein as shall be approved by the Authorized Officer of the Authority executing the same, with such execution to constitute conclusive evidence of such person's approval and the Authority's approval of any changes or revisions therein from the form of such Authority Document attached hereto, and to constitute conclusive evidence of such person's approval and the Authority's approval of the terms of the Bonds and the purchase thereof.

Section 4. Authorization and Ratification of Subsequent Acts. The Members, officers, agents and employees of the Authority are hereby authorized and directed to do all such acts and things and to execute or accept all such documents (including without limitation the execution and delivery of a document setting forth the agreement and certification of the parties thereto relating to certain federal tax matters) as may be necessary to carry out and comply with the provisions of these resolutions, the Authority Document, and all of the acts and doings of the Members, officers, agents, and employees of the Authority which are in conformity with the intent and purposes of these resolutions, whether heretofore or hereafter taken or done, shall be and are hereby authorized, ratified, confirmed and approved.

Re: Resolution Authorizing the Reissuance of the SwedishAmerican Hospital Series 2010 Bonds.
IFA Series 2010 Bonds File Number: H-HO-TE-CD-8323

The IFA previously issued its Revenue Bonds, Series 2010 Bonds for the benefit of SwedishAmerican Hospital, Rockford, Illinois, an Illinois not for profit corporation, pursuant to that certain Loan Agreement dated as of April 1, 2010 among SwedishAmerican Hospital, the Authority and Riverside Community Bank (as predecessor to Illinois Bank & Trust), as purchaser of the Series 2010 Bonds.

Currently, approximately \$17,500,000 remains outstanding. The Series 2010 Bonds were purchased in a direct placement by Illinois Bank & Trust (successor to Riverside Community Bank). The Series 2010 Bonds are “bank qualified.” The Bank has agreed to reduce the interest rate on the Series 2010 Bonds (from 4.05% to 1.80%) in exchange for a guaranty issued by the Obligated Group of SwedishAmerican’s new parent organizations, which comprises the University of Wisconsin Hospital and Clinics Authority and the University of Wisconsin Medical Foundation, Inc. This interest rate reduction will cause a “deemed” reissuance for federal income tax purposes.

To maintain the bank qualification of the Series 2010 Bonds, bond counsel has advised that we will need to split the Series 2010 Bonds into two subseries, with each subseries being \$10 million or less and we will have to separate the interest rate reduction for each subseries by 15 days.

SwedishAmerican Hospital has requested the Illinois Finance Authority to amend and restate the Loan Agreement pursuant to which the Series 2010 Bonds were issued and to further supplement the Loan Agreement 15 days later and deliver two replacement bonds.

Note that the Series 2010 Bonds are not being refunded nor is the weighted average maturity of the Series 2010 Bonds being extended.

IFA RESOLUTION NO. 2016-0811-AD06

WHEREAS, the Illinois Finance Authority (the “*Authority*”) has been created by, and exists under, the Illinois Finance Authority Act (the “*Act*”); and

WHEREAS, the Authority has previously issued its Illinois Finance Authority Revenue Bonds, Series 2010 (SwedishAmerican Hospital) (the “*Series 2010 Bonds*”) for the benefit of SwedishAmerican Hospital, an Illinois not for profit corporation, pursuant to that certain Loan Agreement dated as of April 1, 2010 (the “*Loan Agreement*”) among SwedishAmerican Hospital (the “*Borrower*”), the Authority and Riverside Community Bank (as predecessor to Illinois Bank & Trust) (the “*Lender*”), as purchaser of the Series 2010 Bonds; and

WHEREAS, at the Borrower’s request, the Lender has agreed to reduce the interest rate borne by the Series 2010 Bonds (the “*Interest Rate Reduction*”) in exchange for the delivery of a guaranty of the Borrower’s obligations under the Loan Agreement by the University of Wisconsin Hospitals and Clinics Authority and the University of Wisconsin Medical Foundation, Inc., which Interest Rate Reduction will result in a “deemed” reissuance of the Series 2010 Bonds for federal income tax purposes (the “*Reissuance*”); and

WHEREAS, to accomplish the Interest Rate Reduction and in connection with the Reissuance, it is necessary to (a) divide the Series 2010 Bonds into two sub-series, Subseries 2010A and Subseries 2010B, (b) amend, restate and supplement the Loan Agreement, and (c) deliver a new Subseries 2010A Bond and a new Subseries 2010B Bond in replacement of the existing Series 2010 Bond; and

WHEREAS, the Borrower has requested that the Authority execute an Amended and Restated Loan Agreement among the Authority, the Borrower and the Lender (the “*Amended and Restated Loan Agreement*”), which Amended and Restated Loan Agreement will create two sub-series of Series 2010 Bonds and will implement the Interest Rate Reduction for the Subseries 2010A Bond; and

WHEREAS, the Borrower has also requested that the Authority execute a Supplement No. 1 to the Amended and Restated Loan Agreement among the Authority, SwedishAmerican Hospital and the Lender (the “*First Supplemental Loan Agreement*”), which First Supplemental Loan Agreement will implement the Interest Rate Reduction for the Subseries 2010B Bond; and

WHEREAS, the Borrower has also requested that the Authority execute a Subseries 2010A Bond, a Subseries 2010B Bond and any additional documents required for the Interest Rate Reduction and the Reissuance;

NOW, THEREFORE, BE IT RESOLVED by the Illinois Finance Authority as follows:

Section 1. Approval of Documents. The Authority does hereby authorize and approve the execution by its Chairman, Vice Chairman or Executive Director (each an “*Authorized Officer*”) of (i) the Amended and Restated Loan Agreement, (ii) the First Supplemental Loan Agreement, (iii) the replacement Subseries 2010A Bond, and (iv) the

replacement Subseries 2010B Bond. Such documents shall be substantially in the forms approved by the Authorized Officer of the Authority executing the same, with such execution to constitute conclusive evidence of such Authorized Officer's approval and the Authority's approval of the forms of such documents.

Section 2. Authorization and Ratification of Subsequent Acts. The Members, officers, agents and employees of the Authority are hereby authorized and directed to do all such acts and things and to execute or accept all such documents (including, without limitation, the execution and delivery of one or more tax exemption agreements and any additional documents that may be necessary to provide for one or more additional subseries of Series 2010 Bonds), as may be necessary to carry out and comply with the provisions of these resolutions, and all of the acts and doings of the Members, officers, agents and employees of the Authority which are in conformity with the intent and purposes of these resolutions, whether heretofore or hereafter taken or done, shall be and are hereby authorized, ratified, confirmed and approved. Unless otherwise provided therein, wherever in any document executed pursuant hereto it is provided that an action shall be taken by the Authority, such action shall be taken by the Executive Director or the Treasurer of the Authority, or in the event of the unavailability, inability or refusal of the Executive Director and the Treasurer to act, any two Members of the Authority, each of whom is hereby authorized, empowered, delegated the power and duty and directed to take such action on behalf of the Authority, all within the parameters set forth herein and in the applicable document.

Section 3. Conflicts. All resolutions and orders, or parts thereof, in conflict herewith are hereby superseded to the extent of such conflict.

Memorandum

To: IFA Board of Directors

From: Christopher B. Meister, Executive Director

Date: August 11, 2016

Re: Resolution Confirming the Execution and Delivery of a First Amendment to Master Loan Agreement with the City of Chicago Providing for an Extension of a Final Principal Payment

Background:

The Authority, as successor to the Illinois Development Finance Authority, is a party to a legacy Master Loan Agreement dated as of August 1, 1986 (the “**Loan Agreement**”) with the City of Chicago, acting through its Department of Housing (the “**City**”), as the borrower thereunder. The Loan Agreement was entered into pursuant to a state statute which established (and authorized subsequent appropriations to fund) the Illinois Housing Partnership Program (the “**IHPP**”), in order to permit the City to finance a series of loans used to rehabilitate multi-family housing for persons of low and moderate income. The Authority’s records indicate that, although the IHPP is an ongoing loan program, no additional advances were made under the Loan Agreement subsequent to an initial, zero interest loan in what the Authority understood to be the original principal amount of \$5 million. Scheduled amortization payments were made when and as required with the final installment in the amount of \$3 million due August 1, 2016.

Action Requested:

In late July, the Authority was contacted by the City and told that, despite the fact that the City had periodically responded to Authority audit requests by confirming the \$3 million outstanding balance, and even though a transaction fund appeared to be on hand to make a partial payment, there was a shortfall that they were not in a position to cover, since their record keeping on the matter was in disarray after several successive computer system changes over the years that, quite literally, left them with no records to back up payment. As such, the City requested a six month extension on the final principal payment to permit a full and complete accounting to be performed by the City. The extension needed to be granted effective July 31, 2016, in order to preclude the occurrence of the City’s default under the Loan Agreement.

Action Taken:

A First Amendment to Master Loan Agreement dated as of July 31, 2016, was executed and delivered by the Authority and the City, extending the final \$3 million principal payment until February 1, 2017. In consideration of such extension, the City agreed to deliver no later than November 11, 2016, a report setting forth with reasonable specificity an accounting for the payment history of the repayment of the loan made under the Loan Agreement and the use of the funds disbursed thereunder.

**RESOLUTION CONFIRMING THE EXECUTION AND DELIVERY OF A FIRST
AMENDMENT TO MASTER LOAN AGREEMENT WITH THE CITY OF CHICAGO
PROVIDING FOR AN EXTENSION OF A FINAL PRINCIPAL PAYMENT**

WHEREAS, the Illinois Finance Authority (the Authority”), a body politic and corporate, has been created by, and exists under, the Illinois Finance Authority Act (20 ILCS 3501/801-1 *et seq.*) (the “Act”); and

WHEREAS, pursuant to Section 801-40(o) of the Act, the Authority is authorized to establish a Housing Partnership Program whereby the Authority provides zero-interest loans to municipalities for the purpose of assisting in the financing of projects for the rehabilitation of affordable multi-family housing for low and moderate income residents; and

WHEREAS, the Illinois Development Finance Authority (“IDFA”), a predecessor to the Authority, established such a program under its authorizing legislation, by the name of the Illinois Housing Partnership Program (the “Program”); and

WHEREAS, the Illinois General Assembly appropriated funds to IDFA to be used to make a loan to the City of Chicago (the “City”) under the Program and IDFA and the City entered into a Master Loan Agreement dated as of August 1, 1986 (the “Loan Agreement”) in connection therewith in order to permit the City to finance a series of loans to rehabilitate multi-family housing for persons of low and moderate income; and

WHEREAS, the City has now requested a six month extension on the final principal payment under the Loan Agreement to permit a full and complete accounting to be made by the City of the loans made thereunder; and

WHEREAS, the Authority and the City entered into a First Amendment to Master Loan Agreement dated as of July 31, 2016 (the “First Amendment”) providing, among other things, for the extension of the final principal payment until February 1, 2017; and

Section 1. Recitals. The recitals set forth above are hereby found to be true and correct and are incorporated into this Resolution as if fully set forth herein.

Section 2. Approval Confirming the Execution and Delivery of the First Amendment. The Executive Director or his designee is authorized to take all actions, reasonable and necessary, to execute and deliver the First Amendment and to provide for other matters related thereto and all prior actions heretofore taken are hereby confirmed and approved.

The Executive Director is hereby authorized, empowered and directed to do all such acts and things and to execute, acknowledge and deliver all documents as may in his discretion be deemed necessary or desirable to carry out and comply with the terms and provisions of this Resolution; and all of the acts and doings of the Executive Director of the Authority which are in conformity with the intent and purpose of this Resolution, whether heretofore or hereafter taken or done, shall be and the same are hereby in all respects, ratified, confirmed and approved. All prior and future acts and doing of the officers, agents and employees of the Authority that are in conformity with the purposes and intent of this Resolution and in furtherance of the execution and performance of the Resolution shall be and the same hereby are in all respects approved and confirmed.
